Basil And Hillary:

The Trinitarian Theology of Hilary of Poitiers Mark Weedman,2007-11-30 When Hilary of Poitiers was exiled from his native Poitiers in Gaul to Cappadocia his entire theological sensibility changed The Latin bishop schooled in the tradition of Tertullian and Novatian became a full throated participant in the Trinitarian controversies of his time This book offers a new reading of Hilary s Trinitarian theology that takes into account the historical context of Hilary s thought It first examines this context and the course of Hilary s engagement with his Homoian opponents It then turns to the key themes of Hilary s theology as he worked them out in that context The result is a work that not only helps clarify Hilary s theology but that offers new insight into the Trinitarian controversies as a whole

Film and the Historian Philip Gillett,2019-05-13 Films are not just for audiences historians of the twentieth century have much to learn from them A film exposes the attitudes and unconsidered trifles that people took for granted and which were not considered worth recording elsewhere This volume surveys British cinema from the final days of the Second World War to the early 1970s exploring societal change across a range of topics including housing the countryside psychiatry and the law This provides a basis for cross cultural comparisons with many issues deserving of further research being highlighted The films discussed range from the well known *Odd Man Out* to the forgotten *It s Hard to be Good*
