Susan C. Power, 2007-01-01 In addition to tracing the development of Cherokee art Power reveals the wide range of geographical locales from which Cherokee art has originated These places include the Cherokee s tribal homeland in the southeast the tribe s areas of resettlement in the West and abodes in the United States and beyond to which individuals subsequently moved Intimately connected to the time and place of its creation Cherokee art changed along with Cherokee social political and economic circumstances The entry of European explorers into the Southeast the Trail of Tears the American Civil War and the signing of treaties with the U S government are among the transforming events in Cherokee art history that Power discusses **BOOK JACKET** *Beyond Piggly Wiggly* Lisa C. Tolbert, 2023-08 Patented in 1917 Piggly Wiggly was by far the most influential self service store of the early twentieth century Before 1940 it was the only self service chain with a national distribution network but it was neither the first nor the only version Beyond Piggly Wiggly reveals the importance of Piggly Wiggly in the invention of self service and goes beyond the history of a single firm to explore the role of small business entrepreneurs who invented the first self service stores in a grassroots social process During the 1920s and 1930s a minority of enterprising grocers experimented with a wide variety of sometimes wacky design ideas for automating shopping They created specialized stores designed as enclosed retail systems that went far beyond open display techniques to construct unique physical and psychological advantages for automating salesmanship Beyond Piggly Wiggly offers the first perspective on the national scale of experimentation and connects the southern Jim Crow origins of self service to the national history of this mass retailing method Empirical analysis of store arrangements demonstrates how small stores that have previously been overlooked or undervalued as quaint anomalies were integral to the creation of supermarkets

Ultimately self service was more than a business decision it was a fundamentally new social practice *The Publishers' Trade List Annual* ,1979 Beyond IQ Robert J. Sternberg,1985 Beyond I Q A Triarchic Theory of Human Intelligence contends that the influence of certain psychological factors upon intelligence is strong enough to be considered highly significant in the evaluation of I Q The triarchic theory of human intelligence accordingly reaches beyond I Q *Choice* ,1997
