Created Equal R. A. Brown, 2011-07 Desperate to become a priest in the Catholic Church Aleksandra Kowalski turns to Thomas Patrick O Reilly one of the wealthiest and most successful trial lawyers in Houston Texas Tommy believes the Catholic Church has no basis under United States law to exclude women from the seminary and files suit against the Archdiocese of Galveston Houston and Archbishop Jorge Sierra for sex discrimination without justifiable cause The Catholic Church hires Monsignor Enrico Renzulli the General Counsel of the United States Catholic Conference of Bishops Renzulli a priest and Harvard educated attorney has substantial trial experience and has taken on and beaten lawyers considerably smarter than O Reilly He believes the lawsuit should be summarily dismissed because the First Amendment of the United States Constitution grants all citizens the freedom of religion and it prevents a federal court from interfering with the ecclesiastical rules of any church including the Catholic Church But watching and waiting in the wings is an extreme and tyrannical sect unaffiliated with the Catholic Church As the trial unfolds and the legal proceedings begin to undermine the sacred Catholic Church teaching a right wing extremist and a member of the Holy Mother Church concocts a plot to stop the heresy against God that includes kidnapping and murder Will the First Amendment protect the Catholic Church and supersede all Will Tommy O Reilly come through Will Aleksandra Kowalski survive this ordeal Find out in R A Brown s gripping legal thriller **Created Equal**

Created Equal Joshua Berman, 2011-08-12 In **Created Equal** Joshua Berman engages the text of the Hebrew Bible from a novel perspective considering it as a document of social and political thought He proposes that the Pentateuch can be read as the earliest prescription on record for the establishment of an egalitarian polity What emerges is the blueprint for a society that would stand in stark contrast to the surrounding cultures of the ancient Near East Egypt Mesopotamia Ugarit and the Hittite Empire in which the hierarchical structure of the polity was centered on the figure of the king and his retinue Berman shows that an egalitarian ideal is articulated in comprehensive fashion in the Pentateuch and is expressed in its theology politics economics use of technologies of communication and in its narrative literature Throughout he invokes parallels from the modern period as heuristic devices to illuminate ancient developments Thus for example the constitutional principles in the Book of Deuteronomy are examined in the light of those espoused by Montesquieu and the rise of the novel in 18th century England serves to illuminate the advent of new modes of storytelling in biblical narrative
