Embracing Race Michele S. Moses, 2002 With clarity passion and creativity Michele Moses offers a new and promising lens for viewing the unsolved issues of race and education In this book Moses provides a comprehensive examination of four major race conscious educational policies bilingual education multicultural curricula affirmative action and remedial education She argues convincingly that such policies are critical to fostering self determination and personal autonomy in students who will otherwise be left with a deficient education Presenting a strong theoretically grounded case for race conscious educational policies this volume offers a new framework for examining the complex interaction between race education opportunities and justice Some of the important questions addressed in this volume include What must the educational system do to promote social justice for students of color and poor students What is required to help these students to develop self determination How will race conscious educational policies help to provide a fair education for all students

Guess Who's Coming to Dinner Now? Angela D Dillard, 2023-11-21 An excellent overview of African American LGBT and other minority group conservatives The New

Republic In Guess Who's Coming to Dinner Now Angela Dillard offers the first comparative analysis of a modern conservatism that cuts across boundaries of race ethnicity gender and sexuality To be an African American and a conservative or a Latino who is also a conservative and gay is to occupy an awkward and contested political position Dillard explores the philosophies politics and motivation of minority conservatives such as Ward Connerly Glenn Loury Linda Chavez Clarence Thomas and Bruce Bawer as well as their tepid reception by both the left and right Welcomed cautiously by the conservative movement they have also frequently been excoriated by those African Americans Latinos women and LGBT people who view their conservatism as betrayal Dillard's comprehensive study among the first to take the history and political implications of multicultural conservatism seriously is a vital source for understanding contemporary American conservatism in all its forms Dillard analyzes the famous Clarence Thomas Linda Chavez the obscure Elizabeth Wright's black conservative newsletter Issues and Views and the in between the memoirs of the gay conservative Marvin Liebman The New York Times

Mark One Or More Kim M. Williams, 2008-02-27 The little known story of the struggle to include a multiracial category on the U S census and the profound changes it wrought in the American political landscape

Mark One or More Kim W. Williams, 2006 Mark One or More tells the little known story of the struggle to include a multiracial category on the U S census and the profound changes it wrought in the American political landscape The movement to add a multiracial category to the 2000 U S Census provoked unprecedented debates about race The effort made for strange bedfellows Republicans like House Speaker Newt Gingrich and affirmative action opponent Ward Connerly took up the multiracial cause Civil rights leaders opposed the movement on the premise that it had the potential to dilute the census count of traditional minority groups The activists themselves a loose confederation of organizations many led by the white mothers of interracial children wanted recognition What they got was the transformation of racial politics in America Mark One or More is the compelling account of how this small movement sparked a big change and a moving call to reassess the meaning of racial identity in American life Kim M Williams is Associate Professor of Public Policy in Harvard's Kennedy School of Government and an expert in racial and ethnic politics and political movements

If You Don't Make Waves, You'll Drown Dave Anderson, 2005-11-11 This is not your typical business book You won't find academic remedies to your business challenges or exhortations to create a warmer and fuzzier workplace In fact you'll find the opposite tips on how to be a tougher take no prisoners style manager It's time to stop letting workplace political correctness push you around and get serious about your business In If You Don't Make Waves You'll Drown Dave Anderson doesn't pull any punches Offering simple wisdom and politically incorrect solutions that really work he's not here to inspire you but to taunt you into action He shows you how to be more direct without being disrespectful how to give honest feedback even when it hurts and how to hold employees accountable for results In short you'll learn how to get the most out of your business Want more politically incorrect wisdom Tenure is a license for laziness Diversity without competence is worthless Don't trade your values for valuables Political correctness is a disease that destroys the workplace It's time to fight back

The Browning of America and the Evasion of Social Justice Ronald R. Sundstrom, 2008-10-09 This book considers the challenge that the so called browning of America poses for any discussion of the future of race and social justice In the philosophy of race there has been little reflection about how the rapid increase in the Latino Asian American and mixed race populations affects the historical demands for racial justice by Native Americans and African Americans Ronald R Sundstrom examines how recent demographic shifts bear upon central questions in race theory and social and political philosophy including color blindness interracial intimacy and the future of race Sundstrom cautions that rather than getting caught up in romantic reveries about the browning of America we should remain vigilant that longstanding claims for racial justice not be washed away

Transforming the Ivory Tower Brett C. Stockdill, Mary Yu Danico, 2012-03-15 People outside and within colleges and universities often view these institutions as fair and reasonable far removed from the inequalities that afflict society in general Despite greater numbers of women working class people and people of color as well as increased visibility for LGBTQ students and staff over the past fifty years universities remain ivory towers that perpetuate institutionalized forms of sexism classism racism and homophobia Transforming the Ivory Tower builds on the rich legacy of historical struggles to open universities to dissenting voices and oppressed groups Each chapter is guided by a commitment to praxis the idea that theoretical understandings of inequality must be applied to concrete strategies for change The common misconception that racism sexism and homophobia no longer plague university life heightens the difficulty to dismantle the interlocking forms of oppression that undergird the ivory tower Contributors demonstrate that women LGBTQ people and people of color continue to face systemic forms of bias and discrimination on campuses throughout the U S Curriculum and pedagogy evaluation of scholarship and the processes of tenure and promotion are all laden with inequities both blatant and covert The contributors to this volume defy the pressure to assimilate by critically examining personal and collective struggles Speaking from different social spaces and backgrounds they analyze antiracist feminist and queer approaches to teaching and mentoring research and writing academic culture and practices growth and development of disciplines campus activism university community partnerships and confronting privilege Transforming the Ivory Tower will be required reading for all students faculty and administrators seeking to understand bias and discrimination in higher education and to engage in social justice work on and off college campuses It offers a proactive approach encompassing institutional and cultural changes that foster respect inclusion and transformation Contributors Michael Armato Rick Bonus Jose Guillermo Zapata Calderon Mary Yu Danico Christina Gomez David Naguib Pellow Brett C Stockdill Linda Trinh V *Burning Down the House* Brian Pusser, 2012-02-01 Burning Down the House presents a riveting analysis of one of the most nationally prominent and bitterly contested policy battles in the history of American higher education the struggle to eliminate affirmative action at the University of California A timely and essential addition to the literature on affirmative action it examines the political economic legal and organizational factors that shaped the debate in California and offers unique insight into the contemporary politics of admissions policy university governance and the role of higher education in broader state and national political contests to come Landmark Briefs and Arguments of the Supreme Court of the United States United

States. Supreme Court,2014 Who are We? Samuel P. Huntington,2004 Blockade is the story of a long running trade battle at sea between Britain and Germany during the First World War Each country fought for survival but this book focuses on the story of the Northern Patrol and the 10th Cruiser Squadron The Royal Navy's role during World War I denying Germany access to the sea trade and vital resources was crucial to helping Britain win the war on the Western Front The Northern Blockade located across the inhospitable waters between Iceland and Scotland was to bring the German economy to its knees and destroy her home front morale Likewise the Royal Navy's success in negating Germany's attacks on British commerce prevented much suffering in Britain Steve Dunn vividly describes the final destruction of German surface vessel commerce warfare He examines the American reaction to the British naval blockade and to Germany's war on trade as well as Germany's treatment of American sailors taken prisoner Dunn also considers changes in strategy employed by both sides Blockade brings to life the experiences of those who manned the blockade and creates a vivid picture of the dangers of duty in this highly significant but overlooked aspect of World War I *The Source of the River* Douglas S. Massey,Camille Z. Charles,Garvey Lundy,Mary J. Fischer,2011-06-27 African Americans and Latinos earn lower grades and drop out of college more often than whites or Asians Yet thirty years after deliberate minority recruitment efforts began we still don't know why In *The Shape of the River* William Bowen and Derek Bok documented the benefits of affirmative action for minority students their communities and the nation at large But they also found that too many failed to achieve academic success In *The Source of the River* Douglas Massey and his colleagues investigate the roots of minority underperformance in selective colleges and universities They explain how such factors as neighborhood family peer group and early schooling influence the academic performance of students from differing racial and ethnic origins and differing social classes Drawing on a major new source of data the National Longitudinal Survey of Freshmen the authors undertake a comprehensive analysis of the diverse pathways by which whites African Americans Latinos and Asians enter American higher education Theirs is the first study to document the different characteristics that students bring to campus and to trace out the influence of these differences on later academic performance They show that black and Latino students do not enter college disadvantaged by a lack of self esteem In fact overconfidence is more common than low self confidence among some minority students Despite this minority students are adversely affected by racist stereotypes of intellectual inferiority Although academic preparation is the strongest predictor of college performance shortfalls in academic preparation are themselves largely a matter of socioeconomic disadvantage and racial segregation Presenting important new findings *The Source of the River* documents the ongoing power of race to shape the life chances of America's young people even among the most talented and able
