Alexander And The Dragon:

Alexander and the Dragon Katharine Holabird, Helen Craig, 1988 *Alexander & the Dragon and Other Adventures* Laura Jane Stanton, 2023-05-09 **Jérôme et le dragon** Katharine Holabird, 1988 Une d mystification du monstre sous le lit l heure du coucher Texte abondant pour les lecteurs concern s **The Alexander Romance: History and Literature** Richard Stoneman, Krzysztof Nawotka, Agnieszka Wojciechowska, 2018-07-31 The Alexander Romance is a difficult text to define and to assess justly From its earliest days it was an open text which was adapted into a variety of cultures with meanings that themselves vary and yet seem to carry a strong undercurrent of homogeneity Alexander is the hero who cannot become a god and who encapsulates the desires and strivings of the host cultures The papers assembled in this volume which were originally presented at a conference at the University of Wrocław Poland in October 2015 all face the challenge of defining the Alexander Romance Some focus on quite specific topics while others address more overarching themes They form a cohesive set of approaches to the delicate positioning of the text between history and literature From its earliest elements in Hellenistic Egypt to its latest reworkings in the Byzantine and Islamic Middle East the Alexander Romance shows itself to be a work that steadily engages with such questions as kingship the limits of human and Greek nature and the purpose of history The Romance began as a history but only by becoming literature could it achieve such a deep penetration of east and west **The Alexander Romance in Persia and the East** Richard Stoneman, Kyle Erickson, Ian Richard Netton, 2012 Alexander the Great of Macedon was no stranger to controversy in his own time Conqueror of the Greek states of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley he nevertheless became revered as well as vilified Was he simply a destroyer of the ancient civilizations and religions of these regions or was he a hero of the Persian dynasties and of Islam The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today The story of Alexander became the subject of legend in the medieval west but was perhaps even more pervasive in the east The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD From these beginnings it reached into the Persian national epic the Shahnameh into Jewish traditions and into the Quran and subsequent Arab romance The papers in this volume all have the aim of deepening our understanding of this complex development If we can understand better why Alexander is such an important figure in both east and west we shall be a little closer to understanding what unites two often antipathetic worlds This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010 More than half the papers were by invited speakers and were designed to provide a systematic view of the subject the remainder were selected for their ability to carry research forward in an integrated way *Dragons, Serpents, and Slayers in the Classical and Early Christian Worlds* Daniel Ogden, 2013-04-08 *Dragons Serpents and Slayers in the Classical and Early Christian Worlds* offers a

comprehensive and easily accessible collection of dragon myths from Greek Roman and early Christian sources **Here Be Dragons: The Dragonfire Novel Companion** Deborah Cooke, 2020-01-14 Dive deeper in the world of the Dragonfire Novels This companion guide to the world of Deborah Cooke's bestselling Dragonfire series of paranormal romances includes summaries of all fourteen stories along with comments from Deborah There's a glossary and a list of characters as well as eleven family trees for the Pyr and six interviews with the Pyr The short story Harmonia's Kiss is also included in this volume The Dragonfire Series of Paranormal Romances Each Dragonfire Novel is a complete romance but you would probably prefer to read them in order to follow the story of the Dragon's Tail Wars the final battle for supremacy between the Pyr and the evil Slayers The series is complete with fourteen stories 1 Kiss of Fire Quinn and Sara 2 Kiss of Fury Donovan and Alex 3 Kiss of Fate Erik and Eileen 4 Winter Kiss Delaney and Ginger 5 Harmonia's Kiss a short story about the Dragon's Tooth Warriors 6 Whisper Kiss Niall and Rox 7 Darkfire Kiss Rafferty and Melissa 8 Flashfire Lorenzo and Cassie 9 Ember's Kiss Brandon and Liz 10 Kiss of Danger a Dragon Legion novella featuring Alexander and Katina 11 Kiss of Darkness a Dragon Legion novella featuring Damien and Petra 12 Kiss of Destiny a Dragon Legion novella featuring Thad and Aura 13 Serpent's Kiss Thorolf and Chandra 14 Firestorm Forever Sloane and Sam plus Drake and Veronica and Marcus and Jac Yes this book has THREE firestorms and is the big finish The three Dragon Legion novellas are also available in a bundle called The Dragon Legion Collection There is a world guide Here Be Dragons A Dragonfire Companion The Dragonfire books are also available in three boxed sets of three books each 1 Dragonfire Quest Kiss of Fire Kiss of Fury and Kiss of Fate 2 Dragonfire Elixir Winter Kiss Whisper Kiss and Darkfire Kiss 3 Dragonfire Reunion Flashfire Ember's Kiss Harmonia's Kiss Kiss of Danger Kiss of Destiny and Kiss of Darkness 4 Dragonfire Triumph Serpent's Kiss Firestorm Forever slow burn dragon dragon shifter romance destined mate action adventure urban fantasy romance dragonfire romantic comedy outsider opposites attract destined lovers fated mates protector guardian Ann Arbor medieval France Cathars band of brothers blacksmith Sherrilyn Kenyon Donna Grant Thea Harrison Jennifer Ashley Christine Feehan Lara Adrian G A Aiken The Stardust Collection Dawn Blair, 2021-10-13 One dragon egg Three adventures Thomis leaves it Moonhunter pursues it And Reila frees it One short story and two novellas following the life of an unhatched dragon egg as it changes hands and gets chased through the universe until finally the unique dragon breaks free from its shell This boxed set contains Alexander's Den Mystery of the Stardust Monk Stardust **Alexander and the River Dragon** Sin-D Dockery, 2015-11-12 Divine intervention into a world of darkness and despair There is more to this story than meets the eye Not all is what it seems **Brill's Companion to the Reception of Alexander the Great**, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never

Masculine Ideals and Alexander the Great Jaakkojuhani Peltonen, 2023-11-23 From premodern societies onward humans have constructed and produced images of ideal masculinity to define the roles available for boys to grow into and images for adult men to imitate The figure of Alexander the Great has fascinated people both within and outside academia As a historical character military commander cultural figure and representative of the male gender Alexander s popularity is beyond dispute Almost from the moment of his death Alexander s deeds have had a paradigmatic aspect for over 2300 years he has been represented as a paragon of manhood an example to be followed by other men and through his myth people have negotiated assumptions about masculinity This work breaks new ground by considering the ancient and medieval reception of Alexander the Great from a gender studies perspective It explores the masculine ideals of the Greco Roman and medieval pasts through the figure of Alexander the Great analysing the gendered views of masculinities in those periods and relating them to the ways in which Alexander s masculinity was presented It does this by investigating Alexander s appearance and its relation to definitions of masculinity the way his childhood and adulthood are presented his martial performance and skill proper and improper sexual behaviour and finally through his emotions and mental attributes Masculine Ideals and Alexander the Great will appeal to students and scholars alike as well as to those more generally interested in the portrayal of masculinity and gender particularly in relation to Alexander the Great and his image throughout history The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Alexander the Great in the Persian Tradition Haila Manteghi,2019-09-19 Alexander the Great 356 333 BC was transformed into a legend by all those he met leaving an enduring tradition of romances across the world Aside from its penetration into every language of medieval Europe the Alexander romance arguably had its greatest impact in the Persian language Haila Manteghi here offers a complete survey of that deep tradition ranging from analysis of classical Persian poetry to popular romances and medieval Arabic historiography She explores how the Greek work first entered the Persian literary tradition and traces the development of its influence before revealing the remarkable way in which Alexander became as central to the Persian tradition as any other hero or king And importantly by focusing on the often overlooked early medieval Persian period she also demonstrates that a positive view of Alexander developed in Arabic and Persian literature before the Islamic era Drawing on an impressive range of sources in various languages including Persian Arabic and Greek Manteghi provides a profound new contribution to the study of the Alexander romances Beautifully written and with vibrant literary motifs this book is important reading for all those with an interest in Alexander classical and medieval Persian history the early Islamic world and classical reception studies *Journal of the Bombay Branch of the Royal Asiatic*
