Decisions of the Department of the Interior in Cases Relating to the Public Lands United States. Department of the Interior, 1919

Alexander the Great and Egypt Volker Grieb, Krzysztof Nawotka, Agnieszka Wojciechowska, 2014-09-01 This volume presents the papers of an interdisciplinary conference held in Wroclaw in 2011 dedicated to Alexander's expedition to Egypt as well as to his afterlife and legend tied to Egypt and Alexandria Regarding military aspects there are papers focusing on Egypt's strategic

significance in 4th century Greek sources as well as on Alexander's conquest in comparison to earlier conquests of the land of the Nile. Furthermore, they re-examine the chronology of Alexander's stay in Egypt and discuss the founding of Alexandria e.g. by linking it with 4th century urban developments in the Eastern Mediterranean. Since Alexander's policy in Egypt is in large part reflected by hieroglyphic inscriptions and papyri, other contributions focus on his legitimation as a pharaoh, his royal title as well as on Egyptian temples renovated on his order. Alexander's expedition to Egypt and the East was also a powerful stimulus for the development of science in antiquity, which is covered by papers on the mystery of the flooding of the Nile and the spread of astrology. His afterlife and legend is presented in this volume by a nuanced position of Alexander in Ptolemaic ideology and art, while further papers scrutinize and dismantle modern scholarly myths of Alexander's sarcophagus and his tomb in Alexandria. Methodological approaches from different fields of scholarship such as Ancient History, Classical Studies, Egyptology and Archaeology are juxtaposed in this volume and may contribute not merely to the study of the Egyptian episode in the history of Alexander the Great.

Brill's Companion to the Reception of Alexander the Great, 2018-09-11

Brill's *Companion to the Reception of Alexander the Great* offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas. Arguably, no other historical figure has cast such a long shadow for so long a time. Every civilisation touched by the Macedonian Conqueror, along with many more that he never imagined, has scrambled to own some part of his legacy. This volume canvasses a comprehensive array of these receptions, beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure.

Moreover, it provides a broad picture of the historical, political, cultural and aesthetic context in which Alexander's works, in particular, and those of his cosmopolitan colleagues in general, were produced and discussed.

Historiographical Alexander Borja Antela-Bernádez, Marc Mendoza, 2023

In a famous statement, Ulrich Wilcken argues that each historian has his own Alexander. A critical examination of the traditions in Historiographic Alexander allows to reconsider both our ideas of alterity and success and how great can be a human being or to what extent what was great in the past still has to be accepted as such in our present days. To sum up, to revisit Alexander from the eyes of the historians in the Contemporary Age offers a genuine opportunity to rethink History as such and to evaluate how we can imagine new ways to explain the past in order to build a rich appreciation of the present in order to imagine brand new futures. The aim of the following pages is to review Alexander's portraits and concerns in the

Brill's Companion to the Campaigns of Philip II and Alexander the Great ,2024-12-23 This Companion whose contributions come from an outstanding array of experts deals exclusively with the military campaigns of Philip II and his son Alexander the Great and the forces that fought in them In addition to discussions of the strategy and tactics of the two commanders the Companion examines those elements that went into the determination of these strategies and tactics Chapters will be devoted to the logistics of these campaigns military recruitment and training the care of diseased and injured soldiers military organization and equipment and much more While no study can ever be truly complete this Companion comes far closer than any such previous attempt **The Conquest of Persia: Alexander the Strategist** Cían Harte,2014-06-10 The Conquest of Persia Alexander the Strategist is an in depth analysis of Alexander the Great s ability as an overall strategist His military prowess leadership qualities and his ability to win a battle has rarely been in doubt His decision making however has been called into question and this book focuses on some of the most crucial strategic decisions he had to make Included are analyses of his initial campaigns to secure the Balkans his decision to siege Halicarnassus and subsequently his bold decision to de mobilise his fleet and seek to destroy the Persian navy by land Additionally analysed is the risky adventure of attempting to breach the seemingly impregnable island city of Tyre his choice to annex Egypt and visit the oracle of Siwa as well as his insistence to march through the Gedrosian Desert on his return to Babylon This book argues that at the most critical junctures of his campaign to take over the Persian Empire Alexander s strategic decision making abilities were found wanting Nietzsche's 'Ecce Homo' and the Revaluation of All Values Thomas H. Brobjer,2021-07-29 Challenging the standard interpretation of Nietzsche s last published work Ecce Homo as frivolous autobiography Thomas H Brobjer provides an original and detailed analysis of Ecce Homo as fundamental to Nietzsche s unfinished masterwork on the revaluation of all values Arguing that Ecce Homo laid the foundations for his planned four volume work on values Brobjer

draws together the intentions and motivations behind Nietzsche's late work to create a new narrative on it. He situates this period in the desire to undermine the system of Christian values that Nietzsche believed were unchecked as the standard moral gauge for his time. To engage in this project Brobjer shows that it was essential for Nietzsche to explore the self and life denying qualities of a Christian system of values within a broader framework of ideas about morality, altruism, egotism, pessimism, humility and pride. By fully outlining the context of *Ecce Homo*, Brobjer provides a complete corrective to its reception as a self-referential and eccentric text of little philosophical significance, enabling a new understanding within the history of philosophy and Nietzsche's oeuvre.

Alexander The First A Reappraisal Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alexander The First A Reappraisal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alexander The First A Reappraisal has opened up a world of possibilities. Downloading Alexander The First A Reappraisal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alexander The First A Reappraisal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alexander The First A Reappraisal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alexander The First A Reappraisal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alexander The First A Reappraisal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alexander The First A Reappraisal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
