Alice's Adventures under Water Lenny de Rooy,2023-12-14 If you enjoyed Lewis Carroll s books Alice s Adventures in Wonderland and Through the Looking Glass and what Alice found there this is the book for you Finally there is a third story in the Alice series written in Carroll s familiar style but packed with a great number of completely new puns poems and satire This time Alice explores an under water world in which she meets new characters who again make her wonder about their strange logic and behaviour The story can be enjoyed by everyone even those who have never read Carroll s tales However the more familiar you are with them the more references you will recognise in this exceptionally clever story      Alice's Adventures in Wonderland and Through the Looking-Glass Lewis Carroll,2009-09-10 But I don t want to go among mad people Alice remarked Oh you can t help that said the Cat We re all mad here The Alice books are two of the most translated most quoted and best known books in the world but what exactly are they Apparently delightful innocent fantasies for children they are also complex textures of mathematical linguistic and philosophical jokes Alice s encounters with the White

Rabbit the Cheshire Cat the King and Queen of Hearts the Mad Hatter Tweedledum and Tweedledee and many other extraordinary characters have made them masterpieces of carefree nonsense yet they also appeal to adults on a quite different level Layers of satire allusion and symbolism about Victorian culture and politics as well as revelations about the intricate subconscious problems of their author add to their fascination and make them impossible to classify This new edition explores the phenomenal range of reference and the paradoxical appeal of two of the most inventive books in world literature It also includes an episode removed by Carroll from the proofs of *Through the Looking Glass* called *The Wasp in a Wig* ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Cowan,2019-01-29 *Magic Monsters and Make Believe Heroes* looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can t possibly be true Contrary to popular belief it s not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today
