Aline Meyer Liebman, Pioneer Collector and Artist Margaret Liebman Berger, 1982 **American Women Artists in Wartime, 1776-2010** Paula E. Calvin, Deborah A. Deacon, 2011-09-29 For generations men have left their homes and families to defend their country while their wives mothers and daughters remained safely at home outwardly unaffected A closer examination reveals that women have always been directly impacted by war In the last few years they have actively participated on the front lines This book tells the story of the women who documented the impact of war on their lives through their art It includes works by professional artists and photographers combat artists ordinary women who documented their military experiences and women who worked in a variety of types of needlework Taken together these images explore the female consciousness in wartime *Enchanted Lives, Enchanted Objects* Dianne Sachko Macleod, 2008 This insightful and beautifully illustrated book offers the first feminist analysis of the phenomenon of women art collectors in America Dianne Sachko Macleod brings a surprising paradox to light showing that collecting which provided wealthy women with a private sense of solace also liberated them to venture into the public sphere and make a lasting contribution to the emerging American culture Beginning in the antebellum period continuing through the Gilded Age and reaching well into the twentieth century Macleod shows how elite women enlisted the objects d art and avant garde paintings in their collections in causes ranging from the founding of modern museums to the campaign for women s suffrage **French Art Deco** Jared Goss, 2014-09-30 Art Deco the term conjures up jewels by Van Cleef such as Cubism and Fauvism and a taste for the exotic all of which converged in exceptionally luxurious and innovative objects While the practice of Art Deco ended with the Second World War interest in it has not only endured to the present day but has grown steadily Based on the Metropolitan Museum s renowned collection French Art Deco presents more than eighty masterpieces by forty two designers Examples include S e et Mare s furniture from the 1925 Exposition Dufy s Cubist inspired textiles Dunand s lacquered bedroom suite Dupas s monumental glass wall panels from the SS Normandie and Fouquet s spectacular dress ornament in the shape of a Chinese mask Jared Goss s engaging text includes a discussion of each object together with a biography of the designer who created it and is enlivened by generous quotations from writings of the period The extensive introduction provides historical context and explores the origins and aesthetic of Art Deco With its rich text and sumptuous photographs this is not only one of the rare books on French Art Deco in English but an object d art in its own right Georgia O'Keeffe Roxana Robinson, 2020-10 Georgia O Keeffe is arguably the 20th century s leading woman artist Coming of age along with American modernism her life was rich in intense relationships with family friends and especially noted photographer Alfred Stieglitz Her struggle between the rigorous demands of love and work resulted in extraordinary accomplishments Her often eroticized flowers bones stones skulls and pelvises became extremely well known to a broad American public Women Artists in the United States Paula L. Chiaromonte, 1990 Provides access to the art historical literature documenting the unique circumstances social historical and

ideological from which women's art forms emerged Includes the decorative or applied arts contemporary crafts folk art and performance art feminist art criticism women's art organizations and galleries artists organizations and galleries directory manuscript repositories and special collections biographical reference tools periodicals the literature of the field

Photographs, Parts I and II Christie, Manson & Woods International Inc,1994 Equal under the Sky Linda M. Grasso,2017-10-01 Equal under the Sky is the first historical study of Georgia O Keeffe's complex involvement with and influence on US feminism from the 1910s to the 1970s Utilizing understudied sources such as fan letters archives of women's organizations transcripts of women's radio shows and programs from women's colleges Linda M Grasso shows how and why feminism and O Keeffe are inextricably connected in popular culture and scholarship The women's movements that impacted the creation and reception of O Keeffe's art Grasso argues explain why she is a national icon who is valued for more than her artistic practice *Photographs, Part I*,1994 *Art Books 1980-1984* R.R.
