When Most Retire, Some Re-fire Nirmal Yadav,2022-01-01 When was the last time you chose passion over stability When was the last time you lived for yourself The first half of our life is mostly spent conforming to the societal pressures studying well finding a job getting married and raising children Amidst the hubbub of fulfilling our duties and doing the right things we often forget to put our aspirations before anything else Then one day we realise that we had stopped living at a young age and fear there is no going back But is it truly so When Most Retire Some Re Fire is a stirring and stimulating book that will change your perception towards life Leaving a full time job to pursue counselling in her forties and then taking up shooting in her sixties winning championships and setting new records was no small feat for the author This book is peppered with her life experiences and wisdom which will inspire you to take risks and enter new territories that you didn t know existed do things that you never thought you were capable of give yourself the permission to be you and evolve in ways you never thought you could There is no better time than now to chase your dreams So gear up for this adrenaline filled journey ahead

Secularization, Desecularization, and Toleration Vyacheslav Karpov, Manfred Svensson, 2020-10-22 This book challenges the modern myth that tolerance grows as societies become less religious The myth inseparably links the progress of toleration to the secularization of modern society This volume scrutinizes this grand narrative theoretically and empirically and proposes alternative accounts of the varied relationships between diverse interpretations of religion and secularity and multiple secularizations desecularizations and forms of toleration The authors show how both secular and religious orthodoxies inform toleration and persecution and how secularizations and desecularizations engender repressive or pluralistic regimes Ultimately the book offers an agency focused perspective which links the variation in toleration and persecution to the actors of secularization and desecularization and their cultural programs Billy Stone's Two Worlds Roxy Steel, 2023-03-31 12 year old Billy found school boring and often got into trouble for daydreaming about flying in space time travel and wondering what it would be like if ants were as big as humans would they eat humans Billy knew this wasn t a dream Max takes Billy on many adventures with excitement laughter tears sadness and joy He meets many friends along the way and learns the truth about how humans exploit animals in the most weird and unimaginable ways
