Alive To God:

Dead to Sin, Alive to God Stuart Carl Smith, 2016-05-13 If you have been born again through faith in Jesus Christ now reckon yourself dead to sin and alive to God in Christ Learn to think about your new self in Christ as God does With a pastor's heart Stuart C Smith explains why the key to New Covenant sanctification is the important concept of biblical reckoning Obedience to Paul's command in Romans 6:11 can transform your life Reckoning is not something to do but something to think So powerful is this thought that it inevitably leads to action Learn how to overcome the power of sin by a stronger power and the desire to sin by a stronger desire adoration of Jesus Christ Bring your thinking in line with your identity You are a new creation in Christ a saint an adopted child of God and victor over Satan Learn about the Father's passion for you and seek to satisfy his passion for a holy and pure bride for his Son Midway through the book these principles come alive in the experience of Cody a young man who leaves his troubled past for a new life of freedom in Christ [Taking Hold of Eternal Life](#) Paul Bird, 2022-02-14 The most important event of my life occurred during July 1969 when as an atheist I had an abrupt and totally unexpected encounter with the living God of the universe Believing I was thus born again from spiritual death and became by God's grace a new creation Since then I have been involved in a number of ministries traveled much lived in various countries My life has been exciting though not without sadness and tragedy When I encountered God I was a cynical hard bitten sarcastic sophist By His wonderful grace He has made me a hopefully productive member of His kingdom My consuming interest is to introduce others to the God I know For this is eternal life Taking Hold Of Eternal Life 1 Timothy 6:12 is what I did after God confronted me on the weekend of my 34th birthday July 27 1969 This book tells what led up to that momentous event and then what followed as God in His mercy delivered me from atheism and immediately plunged me into Biblical revelation and ministerial involvement in His kingdom As the account of my life walking hand in hand with Him shows in the pages of this book God used me in each of the five callings listed in Ephesians 4:11 Over the course of forty five years God has had me involved in numerous churches various ministries which has resulted in the comments and articles that are also contained in this book I pray that God uses this book to bless you greatly **Don't Buy the Lie** Mark Matlock, 2010-10-05 Can psychics really see our futures Do angels really float among us on earth What about demons And could the supernatural things that happen on TV and in the movies really occur Using Barna research and biblical truths Mark Matlock separates the truths from the lies we are told and helps teens like you avoid the traps that can lead to deception We all know demogorgons aren't real and that evil dolls can't come to life but are there elements of the paranormal that are really around us on earth And if so what does that mean In Don't Buy the Lie Mark Matlock uses the knowledge he's gained in his role as a special project analyst and presenter for the Barna Group to present clear principles and intriguing examples that show you how to respond to the supernatural with wisdom and without being duped He identifies thinking traps that lead to deception such as letting your emotions take over and convincing yourself something

could be real until it seemingly is And with clarity he provides biblical answers to frequently asked questions about such things as miracles angels demons and psychic abilities Don't Buy the Lie looks at both the spiritual and secular sides of the supernatural to show what is real and what is false helps develop discernment when it comes to things you might encounter compares the supernatural claims in our world today with what was happening in the early church to present a biblical perspective contains real research and feedback from teens on each topic

Order in Multiplicity Christopher Shields, 1999-01-28 Aristotle attaches particular significance to the homonymy of many central concepts in philosophy and science that is to the diversity of ways of being common to a single general concept His preoccupation with homonymy influences his approach to almost every subject that he considers and it clearly structures the philosophical methodology that he employs both when criticizing others and when advancing his own positive theories Where there is homonymy there is multiplicity Aristotle aims to find the order within this multiplicity and believes that doing so is crucial to scientific inquiry and philosophical progress Christopher Shields investigates and evaluates Aristotle's approach to questions about homonymy characterizing the metaphysical and semantic commitments necessary to establish the homonymy of a given concept Then in a series of case studies Shields examines in detail some of Aristotle's principal applications of homonymy to the body sameness and oneness life goodness and being Shields's aim is not only to give a fuller understanding of Aristotle's methodology and to illuminate his specific doctrines in a variety of areas but to show that this methodology remains fruitful today

BY GRACE ALONE Volume One Moreno Dal Bello, 2019-10-14 The grace of God and the mercy of God are life changing they are destiny changing Grace and mercy diametrically change a man's course of life from being on the broad way that leads to Hell onto the narrow way that leads to Heaven God changes things Grace and mercy are words of hope not of uncertain hope not a hope based on what you do with them not a flimsy wishful thinking type hope but a definite reliable trustworthy and promised hope A covenant hope A hope that can never disappoint A hope that is sure and unwavering A hope that is eternal The Christian's hope is in the God of grace The Christian's hope is not in the fact he has changed but solely in the One Who has changed him The Christian's hope is in God and His grace and not at all in himself and any of his works The Christian's hope is not in what he has done but only in what God has done in him

Becoming a 21st-Century Church J. Fred Lehr, 2017-10-03 Why are 80 percent of our congregations stagnant or dying There are a variety of reasons This book dives deeply into one of the main reasons the failure to adapt to the cultural changes of our day When the Reformation began 500 years ago it sparked a number of radical changes like worshipping in the vernacular rather than in Latin etc that shocked the church Over time many saw the merit of those changes and adapted In the very same way today major cultural changes are taking place Is the church open to understanding those changes And are congregations making the necessary effort to appropriately adapt to them without compromising our central message the Gospel of Jesus Christ This transformational manual addresses the cultural shifts and provides practical and experience based ideas to appropriately respond while keeping a strong emphasis on the Gospel of
