Our Family Secret, My Mother's Lie John N. Reynolds, 2010-02-17 This is a story about adoption It is about direct adoption and family adoption It also involves keeping a secret from one of those who is adopted It forms a family secret that defines and destroys as it gets passed along It is the story of my mother and her sister who get cast out into the cold and are taken in by family However they are split up by the family and live in two separate worlds My mother is taken to California and never told the secret Dorothy mom s sister knows she is adopted and knows she has a sister My mother is raised as the only child of the Haughts She knows she was born in Ohio but knows nothing else This is the way Norden and Mabel want it to be They would be the only ones knowing the family secret Mabel is paranoid that someone would find out and attempt to take Zona away from them After mother learns the truth she takes on that paranoia She lives and breathes it and it eventually takes over her life Everything is done to protect that secret Yet when I turn 17 she decides it is time to tell me the secret and to take me back to meet my real aunt and uncle and cousins This is a story of how the family secret transcends time and touches many lives It is a story of how people react differently when told the secret My cousins David Barbara and Joe are amazed that I just found out about them a few months before meeting them They have known about me all their lives They knew who I was and where I was and what all was going on For me all of that was shut out I had to ask them tons of questions to find out about them Even when doing my final research for this book I was still asking questions to all that were still alive I am glad I went when I did because death would take the ones who knew the answers Imagine if I would just now be finding all of this out at the ripe old age of 60 There would now be only a handful of people left to tell me and they would only have part of the knowledge This secret has led me on many adventures I am glad that I know the secret but sure wish it had come about differently But then I would not have had to write this book So welcome to Our
