**The Knights of the Cross** Henryk Sienkiewicz, 1899 It is in the very first rank of imaginative and historical romance The time and scene of the noble story are laid in the middle ages during the conquest of Pagan Lithuania by the military and priestly order of the Krzyzacy Knights of the Cross And the story exhibits with splendid force the collision of race passions and fierce violent individualities which accompanied that struggle Those who read it will in addition to their thrilling interest in the tragical and varied incidents gain no little insight into the origin and working of the inextinguishable race hatred between Teuton and Slav It was an unfortunate thing surely that the conversion of the heathen Lithuanians and Zmudzians was committed so largely to that curious variety of the missionary the armed knight banded in brotherhood sacred and military To say the least his sword was a weapon dangerous to his evangelizing purpose He was always in doubt whether to present to the heathen the one end of it as a cross for adoration or the other as a point to kill with And so if Poland was made a Catholic nation she was also made an undying and unalterable hater of the German the Teutonic name and person

Goodreads     The British and Foreign Review Or European Quarterly Journal ,1836     Journeys to Hungary & Poland  
Kalman Dubov,2021-12-22 This volume reviews my visit to Budapest Hungary and to Krakow Auschwitz and Birkenau  
Auschwitz II in Poland Both of these places were deeply affected by the Nazi occupation and the devastation of their Jewish  
communities Describing these visits is difficult because it describes in modern European history in which survivors still relate  
the story of this great tragedy The places where these events took place still stand as testimony to the depths of horror and  
violation man conceives on others had long delayed a pilgrimage to the two Auschwitz death camps recognizing the potential  
of every human being to fall into the chasm of total annihilation In fact recent psychological experimentation with normal  
ethically minded people has shown that we have the potential as perfectly normal people to be persuaded to perform acts  
that upon reflection are completely unjustifiable We think of ourselves as civilized but the reality is that our deepest drives  
and urges can create a complete loss of decency to self and others The mesmerizing effects of the Hitlerian era serve notice  
that we all have the potential of losing the thread of our tenuous humanity This is the sobering thought which remains with  
me after visiting these terrible places of governmental policies of extermination of entire peoples Auschwitz and Birkenau are  
not just a death camp of the past as a historic site reflective of the past It is that but much more These terrible places are an  
object lesson for the present and the future Mankind must learn the lesson that as Santayana reflected the lessons of history  
must be learned so as not to repeat them My review first visits Budapest a beautiful city National Hungarian myth is the  
Magyars a primary tribe of modern day Hungary originated in the Carpathian Mountains in Khazaria This Jewish Empire  
composed of converts to Judaism is an object of intense scholarly scrutiny as to who they were and what they taught Insofar  
as the Magyars were concerned they rebelled against the Khazars voluntarily left or were expelled from that empire They  
traveled across the Caucasian steppes and reached their current geography Perhaps the most devastating event in modern  
Hungarian history was the Treaty of Trianon following World War one which emasculated the country its navy and people  
World War Two was similarly tragic in Budapest as throughout Hungary The Jewish population in the country was decimated  
and Hungarians readily assisted in the arrest removal and transportation of an estimated 400 000 to 600 000 Jews These men  
women and children were transported to Auschwitz where they were murdered by the Germans Adolf Eichmann mastermind  
of the Final Solution to exterminate Jews readily admitted that this vast effort accomplished within three months was only  
possible because of the dedicated efforts of Hungarian leadership and police In Germany today there is a national narrative  
of reviewing its Nazi National Socialism past thereby ensuring all are aware of what occurred during that period and will not  
repeat it But no such national narrative is present in Hungary Denial of the past is easy a mere refusal to own to what took  
place and the individual actions that led to this decimation Perhaps Hungary will one day maturely boldly and forthrightly  
recognize its past crimes and seek to amend its national character I hope my reviews of these cities and the Death Camps will  
provide moments of reflection and honest appraisal of both self and its national character     **The Edinburgh Encyclopedia**
