The Tale of

Hansuli Turn Tarashankar Bandyopadhyay, 2011-06-07 A terrifying sound disturbs the peace of Hansuli Turn a forest village in Bengal and the community splits as to its meaning Does it herald the apocalyptic departure of the gods or is there a more rational explanation The Kahars inhabitants of Hansuli Turn belong to an untouchable criminal tribe soon to be epically transformed by the effects of World War II and India's independence movement Their headman Bonwari upholds the ethics of an older time but his fragile philosophy proves no match for the overpowering machines of war As Bonwari and the village elders come to believe the gods have abandoned them younger villagers led by the rebel Karali look for other meanings and a different way of life As the two factions fight codes of authority religion sex and society begin to break down and amid deadly conflict and natural disaster Karali seizes his chance to change his people's future Sympathetic to the desires of both older and younger generations Tarashankar Bandyopadhyay depicts a difficult transition in which a marginal caste fragments and mutates under the pressure of local and global forces The novel's handling of the language of this rural society sets it apart from other works of its time while the village's struggles anticipate the dilemmas of rural development ecological and economic exploitation and dalit militancy that would occupy the center of India's post Independence politics Negotiating the colonial depredations of the 1939-45 war and the oppressions of an agrarian caste system the Kahars both fear and desire the consequences of a revolutionized society and the loss of their culture within it Lyrically rendered by one of India's great novelists this story of one people's plight dramatizes the anxieties of a nation and the resistance of some to further marginalization

The Eye of the Mandala Margaret Gill, 2006 A thrilling supernatural adventure story Mel always knew she was different There were the visions Then the boy from the past When the authorities of a tyrannical state learn about a young girl's uncanny ability to translate an ancient and possibly illegal text they decide to keep her under surveillance But they have no idea what extraordinary powers the text is about to unleash nor what strange coincidences will lead her not only to resolving a terrible crime in the past but also to discovering a devastating secret This is writing of a high standard inspired by a sense of energy The writer's enthusiasm transmits to readers and keeps them turning the pages This has all the potential to be a commercial success Cornerstones This book is a great roller coaster of a plot with realistic and intriguing characters Some truly lovely writing New York Children's Literary Agency Mandala is an original and exciting story a gripping book full of suspense The dictator society and what happens to curfew breakers was really scary Great stuff Anne Brooke author of *A Dangerous Man*
