Faro Nell and Her Friends: Wolfville Stories Alfred Henry Lewis, 2022-07-31 In *Faro Nell and Her Friends Wolfville Stories* Alfred Henry Lewis crafts a vivid tapestry of the wild American frontier through a collection of interwoven tales set in the fictional town of Wolfville With ardent prose steeped in the vernacular of the time Lewis draws readers into the rugged landscape of the late 19th century West Each story introduces a rich array of characters from sharp witted gamblers to stoic townsfolk bound together by the gritty realities and moral complexities of their time The narrative's authenticity captures the period's nuances making it a valuable piece of Americana within its literary context Alfred Henry Lewis a journalist lawyer

and novelist brought to *Faro Nell and Her Friends* his keen observational skills and a profound understanding of the human condition. Writing during an era when the mythical West began to solidify in the American consciousness, Lewis's personal experiences and sociopolitical insights undoubtedly informed the texture and depth of his storytelling, shaping a narrative that resonates with historical significance. The reader seeking not just adventure but also a mirror reflecting the cultural ethos of a bygone era will find in Lewis's collection a work to be admired and pondered. *Faro Nell and Her Friends* invites enthusiasts of historical fiction and scholars alike to explore these tales which not only entertain but also serve as a study of the frontier spirit. This edition brought forth by DigiCat Publishing ensures that Lewis's legacy endures to captivate and educate new generations on the perennial human themes encapsulated within the dusty streets and saloons of Wolfville.

Tall Woman Rose Mitchell, 2001 Portrays Navajo weaver and midwife Tall Woman who held onto traditional Navajo ways, raised twelve children and cared for the farm throughout her marriage to political leader and Blessingway singer Frank Mitchell. *Doublespeak* Alisa Smith, 2025-06-25 The followup to the literate and action-packed historical thriller *Speakeasy*. *Doublespeak* finds plucky protagonist Lena on a journey back to her past. Lieutenant Lena Stillman has been left nearly alone on her code-breaking mission in remote Alaska. World War II has been over for a month but due to crimes committed a lifetime ago, Lena is still under the control of the powerful Miss Maggie Shaken by her role in the disappearance of Corporal Link Hughes and by her own misjudgment of his character, Lena yearns for an opportunity to redeem them both. Then she receives a shocking message containing Link's potential location. Siam. Embarking on a clandestine rescue mission to Bangkok, Lena is reunited with shadows from her past, including loyal friend Byron who is eager to escape his safe, dull life, and the attractive yet dangerous William Yardly. As personal and political allegiances shift in the postwar maelstrom, it seems impossible to know who is good or bad, innocent or culpable, and whether they are motivated by love or revenge. Overlaying rich historic detail and an intricate plot, *Doublespeak* is an entrancing sequel to Alisa Smith's first novel *Speakeasy*, which received the honor of being a Walter Scott Prize Academy recommended book of 2018. The Publishers' Trade List Annual, 1980. **Killing the Cranes** Edward Girardet, 2012-08-08 Few reporters have covered Afghanistan as intrepidly and humanely as Edward Girardet. Now in a gripping personal account, Girardet delivers a story of that nation's resistance fighters, foreign invaders, mercenaries, spies, aid workers, Islamic extremists, and others who have defined Afghanistan's last thirty years of war, chaos, and strife. As a young foreign correspondent, Girardet arrived in Afghanistan just three months prior to the Soviet invasion in 1979. Over the next decades, he trekked hundreds of miles across rugged mountains and deserts on clandestine journeys following Afghan guerrillas in battle as they smuggled French doctors into the country and as they combated each other as well as invaders. He witnessed the world's greatest refugee exodus, the bitter Battle for Kabul in the early 1990s, the rise of the Taliban, and finally the US-led Western military and recovery effort that began in 2001. Girardet's encounters with key figures including Ahmed Shah Massoud, the famed Lion of Panjshir, assassinated by al Qaeda two days

before 9 11 Gulbuddin Hekmatyar an Islamic extremist massively supported by the Americans during the 1980s only to become one of today s most ruthless anti Western insurgents and Osama bin Laden shed extraordinary light on the personalities who have shaped the nation and its current challenges from corruption and narcotics trafficking to selfish regional interests Killing the Cranes provides crucial insights into why the West s current involvement has turned into such a disaster not only rekindling a new insurgency but squandering billions of dollars on a recovery process that has shown scant success

'*Queen' of the Mara* David Drummond,2005 Presents a story of a wild free ranging cheetah that became the star of BBC TV s Big Cat Diary The setting of this story is the world famous Wildlife Sanctuary in Kenya s Maasai Mara bordering the vast Serengeti Ecosystem
