Murdering Masculinities Greg Forter, 2000-11 Though American crime novels are often derided for containing misogynistic attitudes and limiting ideas of masculinity Greg Forter maintains that they are instead psychologically complex and sophisticated works that demand closer attention Eschewing the synthetic methodologies of earlier work on crime fiction *Murdering Masculinities* argues that the crime novel does not provide a consolidated and stable notion of masculinity Rather it demands that male readers take responsibility for the desires they project on to these novels Forter examines the narrative strategies of five novels Hammett's *The Glass Key* Cain's *Serenade* Faulkner's *Sanctuary* Thompson's *Pop 1280* and Himes's *Blind Man with a Pistol* in conjunction with their treatment of bodily metaphors of smell vision and voice In the process Forter unearths a generic unconscious that reveals things Freud both discovered and sought to repress [Auto Racing in the Shadow of the Great War](#) Robert Dick, 2019-02-21 From 1915 through the early 1920s American auto racing experienced rapid and exciting change Competition by European vehicles forced American car manufacturers to incorporate new features resulting in legendary engineering triumphs and essentially works of art Some of the greatest drivers in racing history were active during this time Ralph DePalma Dario Resta Eddie Rickenbacker the Chevrolet brothers Jimmy Murphy Presenting dozens of races in detail and a wealth of engineering specs this history recalls the era's cigar shaped speedway specials and monumental board tracks the heavy footed drivers fearless mechanics gifted engineers and enthusiastic backers [Annual Report ... for the Year](#) Iowa State Agricultural Society, 1899 **Mystery and Suspense Writers** Robin W. Winks, 1998 This volume contains bio critical information on popular writers of the genre *Scott Kelby's Lightroom 7-Point System* Scott Kelby, 2021-07-06 Learn Scott Kelby's 7 Point System for developing photos to perfection in Adobe Lightroom Imagine how awesome it would be if you opened up an image in Lightroom even a really messed up one and you knew exactly what to do first what to do next and every step along the way to take that image from flat to fabulous Well that is precisely what this book is all about You're learning a system the same one taught in colleges and universities around the world that was crafted by world renowned Lightroom expert Scott Kelby the world's 1 best selling Lightroom book author This is a new way of working and thinking about editing your images that will change the way you work in Lightroom forever so you'll spend less time fixing your photos and more time finishing them and doing the fun creative things that make Lightroom the amazing tool that it is Scott narrowed things down to just the seven major editing moves we need to master to enhance our images like a pro so we're not learning Lightroom tools we're probably never going to need Then and perhaps most importantly he determined exactly when and in which order to apply these seven techniques that make up this proven time tested Lightroom 7 Point System But the magic of this book isn't just listing the seven techniques and how they work It's how they're used together and it's the learning process you go through that makes this book so unique This isn't a read about it book This is a hands on you do it book You start each lesson with the RAW photo right out of the camera you can download Scott's images

so you can follow right along Then you re going to apply the 7 Point System in a very specific way and you re going to do it over and over again and again and again on a range of various photos with different challenges and situations until these seven points are absolutely second nature to you You re going to do the full edit each time from beginning to end with nothing left out Once you learn this system there won t be an image on your screen that you won t be able to enhance fix edit and finish like a pro As you move through the book you ll be amazed at how well this system works across such a wide range of photos from landscapes to portraits from architectural to sports photography from wedding photos to everything in between The book is 21 short lessons including two bonus lessons where you work with Lightroom and Photoshop together and if you spend just 10 minutes a day doing that day s lesson in three weeks there won t be a photo you won t be able to beat You ll know what to do first what to do next and in exactly which order to take a dull lifeless image and make it one you d proudly hang on your wall Best of all you ll learn more than just the 7 Point System along the way as you ll have to tackle whatever each image throws at you so you re going to discover extra techniques shortcuts and workarounds that will help you in every aspect of your editing This is the book you ve been waiting for the industry has been waiting for and once you learn this system and start applying it yourself you ll be the next one to say You can t beat the system **Donkey Kong**

Shadow of the Bridge Áine Cain, 2025-08-26 The haunting account of the Delphi Murders a double murder case that has held its unrelenting grip on the American heartland for over six years On February 13 2017 two teenage friends went for a walk in the woods just outside the small city of Delphi Indiana They should have been safe but Liberty German and Abigail Williams never made it home The next day searchers found their bodies in a clearing The two girls had been brutally murdered Incredibly in the final moments of her life Liberty somehow managed to capture a video of the man who would soon murder her and her friend This blurry recording showed a man lumbering toward the girls and then gruffly commanding them to go down the hill A fascinated public obsessed over those clues Speculation about the killer's identity ran rampant on social media Meanwhile a sprawling law enforcement investigation led to some of the darkest corners of the heartland Still the case remained unsolved for years Everything changed in October 2022 when authorities announced the arrest of Delphi resident Richard Allen But as the case began to make its way through the justice system many began to question whether the small community had what it took to prosecute the case They also wondered whether or not the police had even arrested the right man Investigators officials prosecutors and the defense attorneys found themselves stuck in an unprecedented firestorm of online controversy and subterfuge with so-called internet sleuths hyping up conspiracy theories and trading leaks Now in Áine Cain and Kevin Greenlee the investigative team behind a series of bombshell reports on the case have put forth the only definitive account of the entire investigation *Shadow of the Bridge* The Delphi Murders and the Dark Side of the American Heartland goes deeper and offers more detail than what was shared on the popular Murder Sheet podcast answering many of the questions that have haunted so many since the deaths of Libby and Abby Most importantly in working closely with the German and Williams families Cain and Greenlee tell the stories of who these two warm bright and promising girls were to all who cared for them With rigorous research and captivating prose *Shadow of the Bridge* is a powerful narrative of a complicated twisting story of tragedy and a community determination to see justice
