**The Kind Fashionista** Joanna Slodownik,2021-01-09 Can a group of fashion challenged dorks and social misfits steal the fashion show from the glamorous but mean fashionistas proving that personality smarts and self expression win almost every time A FUN NEW RELEASE FOR GIRLS 2021 Available in paperback and as Kindle Unlimited download When the Find Your Style fashion design sewing and jewelry making workshop is announced culminating with a FASHION SHOW EXTRAVAGANZA I don t even think about participating After being officially appointed one of the biggest fashion DISASTERS by the school fashionistas I don t believe I would even stand a chance and don t want to humiliate myself in front of the entire school and town Besides being trendy and following the latest fashion is not something that I m concerned about In my book practicality wins every time over appearances and what s ACTUALLY INSIDE YOUR HEAD is more important

than what color your hair is and whether it's been blow dried, curled and hair sprayed. I mean, who has the time to waste on coordinating your clothes and accessories with your nails every morning, not to mention the money it costs. Not me. I can think of at least ten better things to do. Or make it a thousand. And even if I had loads of money to spare, I'd donate it to a farm sanctuary or animal shelter rather than waste it on products that are superfluous and superficial and just plain silly. It's only when I realize that participating in the show may actually give my friends and me a chance to get back at the mean fashionistas that I decide to join the circus, but do it on my terms. There is only one problem: signing up is easy, but what will we present? With the show's big date getting closer, there's little time to figure out our revenge. As we go on that journey, we get close and personal with the contents of our closets and face our dorkiness, self-consciousness, and other demons. We also discover that we are not just smart and caring individuals with an important message to share with the world and our school mates, but have a distinct personal style as well. This book will almost definitely change the way you think about fashion. And you'll never look at the contents of your closet the same way again. Note: *The Kind Fashionista* is a fun book about fashion and style with an important message to share, an exciting new release in tween and teen fiction for girls 2021, as well as middle school new releases for girls. If you're looking for entertaining, educational, inspirational, and uplifting stories to read for your kid, funny books about dorks, new tween fiction best sellers, and fun fashion design gifts, definitely check out this book and the whole new series *Rebel Girls With A Cause* that middle schoolers, tweens, and teens will enjoy. Available both on Kindle Unlimited and in paperback. And stay tuned for more new releases in 2021 in this series. Buy the book today and enjoy the read. *Cassell's Book of Quotations, Proverbs and Household Words* Sir William Gurney Benham, 1907
