about their new revelation to contradict the credo Constantine himself presided actively guiding the discussion and personally proposed the crucial formula expressing the relationship of Christ to God in the creed issued by the council of one substance with the Father Overawed by the emperor the bishops with two exceptions only signed the creed many of them much against their inclination Henry Chadwick writes in his book titled *The Early Church* Constantine who was the chief architect of the doctrine of the Trinity was not a Christian Constantine like his father worshiped the sun his conversion should not be interpreted as an inward experience of grace It was a military matter Historian Will Durant says Christianity did not destroy paganism it adopted it At a Jesus seminar in America in 1993 it was concluded that 82% of the words ascribed to Jesus in the gospel were not actually spoken by him Britannica 12th edition vol 3 p 643 There you have it from the pens of learned Christian scholars that the present Bible is the work of ordinary men and can never be divine What additional proof could any intelligent person need to disqualify every Bible in existence as the word of God in any language Can any sensible person argue with such irrefutable evidence

religion much as I was trying to understand theirs **Made in God's Image to Live for His Glory , The Kingdom of Heaven and the Kingdom of God** Earl B. Schrock,2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64 8 the clay in making a useful vessel *Creating Church Online* Tim Hutchings,2017-04-21 Online churches are internet based Christian communities pursuing worship discussion friendship support proselytization and other key religious goals through computer mediated communication Hundreds of thousands of people are now involved with online congregations generating new kinds of ritual leadership and community and new networks of global influence Creating Church Online constructs a rich ethnographic account of the diverse cultures of online churches from virtual worlds to video streams This book also outlines the history of online churchgoing from its origins in the 1980s to the present day and traces the major themes of academic and Christian debate around this topic Applying some of the leading current theories in the study of religion media and culture to this data Tim Hutchings proposes a new model of religious design in contexts of mediatization and draws attention to digital networks transformative third spaces and terrains of existential vulnerability Creating Church Online advances our understanding of the significance and impact of digital media in the religious and social lives of its users in search of new theoretical frameworks for digital religion **Creation of the Sacred** Walter Burkert,1998-01-13 Sacrifice is essential to all religions Could there be a natural even biological reason Why are sacrifice and numerous other religious rituals and concepts shared by so many different cultures In this extraordinary book one of the world s leading authorities on ancient religions explores the possibility of natural religion *Islam In Perspective* Sultan Ahmad,2011-03 The book contains 62 articles on the fundamentals and teachings of Islam Readers Muslims and also from other faiths will have better understanding of the basic principles fundamentals and teachings of the great religion Islam Misconceptions about the religion Islam by people

from other faiths will hopefully be minimized to a great extent by reading the articles Each article can be used as Friday Sermon in Jumma Prayers on Friday in the Mosques **Confirmed Catholic** Tracy Finke, **Loving God through the Truth, Second Edition** Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world

WORSHIP PRIMER FOR PASTORS AND PLANNERS WHAT YOU WISH YOU LEARNED IN SCHOOL William D. Kirkwood, 2023-11-10 There has to be more to leading worship than what I've been doing That nagging thought drove William Kirkwood to develop this primer on worship for all lead pastors and worship planners who have wondered the same thing Most pastors come out of seminary with little training in worship yet are ultimately responsible for the worship life of their church Most worship planners leaders have musical and leadership skills but little theological background in worship Kirkwood brings his decades of worship leading experience and education from the Robert E Webber Institute for Worship Studies into the pages of this timely book He explores the biblical historical theological and cultural foundations of worship and brings them together with practical guidance on how to create vibrant worship services that facilitate a divine human interaction The primer is written for leaders in contemporary free churches traditional liturgical churches and charismatic Pentecostal churches Each chapter includes thoughtful exercises and questions to help in your own church context as well as recommended resources for further study **Soli Deo Gloria**, Deuteronomy, a Commentary James E.
