Writing the Playbook Kelley King, 2013-02-27. Your game plan for getting boys on the path to higher achievement. You've seen it in your school: boys struggling to master basic literacy skills, sitting outside the principal's office, collecting labels like hyperactive, getting failing grades, checked out, kicked out, or dropped out; they're benched when they should be scoring goals on the academic playing field. As a school leader, Kelley King has walked the talk; she successfully led her own staff to close the gender gap in reading and writing in just one year. In her step-by-step research-based leadership plan for jump-starting boys' achievement, she shares critical insight into the brain-based differences between boys and girls. First-hand leadership and classroom experiences. Ready to use activities and resources for leading a successful gap-closing initiative. With tips, anecdotes, and more. *Writing the Playbook* provides educators in all roles with a blueprint for creating schools where boys and girls thrive.

What it Means to be a Teacher Michael Gose, 2007. The stories, anecdotes, humor, and insights found in this book capture what it means to be a teacher. The book begins with common encounters that are the hallmark of the new teacher experience but continues into equally entertaining tales that come with years of working with students, parents, staff, faculty, and administrators. *What it Means to Be a Teacher* mirrors a teacher's playful sense of irony and a deep appreciation of the old wisdom about feeling the impact of the great, occasional, and accidental joy which comes with teaching. Whether a teacher, principal, or administrator, readers will relate to the profound sense of what it means to be a teacher.

NBA Coaches Playbook, Physical Education Technology Playbook Darla M. Castelli, Leah Fiorentino, 2008. It's widely accepted that the increasing use of technology such as TV and computers has led to a reduction in physical activity. But in *Physical Education Technology Playbook*, authors Darla Castelli and Leah Holland Fiorentino show you how to use technology to increase physical activity and enhance learning about health and fitness. This book comes with detailed instructions and examples so you can easily incorporate the described technologies into your teaching.
