The Astrological Dynamics of the Universe Demian Allan,2012-10-26 The Astrological dynamics of the Universe looks at how the astrological cycles of planets in signs have has a major impact on the Western World since the period of 1970 to 2020 Relating how particular planetary cycles in the last forty years have changed our society can give us an indicator of what to expect and how we will respond over the next eight years The book includes the natal charts of the UK and the USA with an explanation and predictions There is also a chapter on how each of the twelve zodiac signs can survive and get the best from the next eight years The book also looks at aspects houses and historical and cultural reference points from the past to the present The book is designed for astrologers and anyone who has a little astrological knowledge can pick up this book The ethos of the book is to show how astrology works as a collective unconsciousness tool that has a direct bearing on humanity as a whole The idea for the book came from my regular astrology column in the Watkins Review Mind Body Spirit magazine which has developed quite a cult following with positive feedback

The Astrological Imagination Brad Hiljanen Kochunas,2008-09 Many books today simply widen the field of astrology by promoting newly created techniques or championing older historical methods for investigating every possible nook and cranny of a horoscope In contrast this award winning writer points the reader in a new direction toward deepening the way that we approach and think about astrology in these post modern times Drawing upon the archetypal perspectives of Mircea Eliade James Hillman and Thomas Moore the author presents a truly psychological astrology an astrology of soul that can plumb the depths of our being sounding out our centers in a manner that enriches our struggle to fully engage what it means to be human
