Alexander The Great Son Of The Gods:

Alexander the Great Alan Fildes, Joann Fletcher, 2002 Fildes presents in a year by year chronicle an intimate and fascinating portrait of the man who created the greatest empire the world had ever seen and acquired a semi mythic status that persists today Generously illustrated with ancient art from museums around the world this is an engrossing accessible biography of a legendary man 120 illustrations Alexander the Great Alan Fildes, Joann Fletcher, 2001 Fildes presents in a year by year chronicle an intimate and fascinating portrait of the man who created the greatest empire the world had ever seen and acquired a semi mythic status that persists today Generously illustrated with ancient art from museums around the world this is an engrossing accessible biography of a legendary man 120 illustrations *The Kebra Negast* E. A. Wallis Budge, 2023-08-29 The Kebra Nagast or Glory of Kings is a 14th century Ge'ez language collection of legendary cycles The text's primary purpose is to establish the legitimacy of the Ethiopian monarchy by claiming a divine connection to King Solomon and the Ark of the Covenant which is said to be housed in Ethiopia The Kebra Nagast is a significant cultural and religious document in Ethiopia and has played a crucial role in shaping the country's national identity With its unique blend of Jewish Christian and indigenous belief it has also had a profound impact on Ethiopian Christianity and religions of the African Diaspora like Rastafarianism *King and Messiah as Son of God* Adela Yarbro Collins, John J. Collins, 2008-11-03 This book traces the history of the idea that the king and later the messiah is Son of God from its origins in ancient Near Eastern royal ideology to its Christian appropriation in the New Testament Both highly regarded scholars Adela Yarbro Collins and John J. Collins argue that Jesus was called the Son of God precisely because he was believed to be the messianic king This belief and tradition they contend led to the identification of Jesus as preexistent personified Wisdom or a heavenly being in the New Testament canon However the titles Jesus is given are historical titles tracing back to Egyptian New Kingdom ideology Therefore the title Son of God is likely solely messianic and not literal King and Messiah as Son of God is distinctive in its range spanning both Testaments and informed by ancient Near Eastern literature and Jewish noncanonical literature

The Secrets of the Gods Claudiu Gilian, 2017-03-22 What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the territory of today's Romania Are Lucifer and Adam the same character Is Noah's Ark one of the Giza pyramids Is the Great Pyramid an interdimensional travel device Was the prophet Abraham a descendant of the Akkadian emperor Sargon the Great Was Moses really Pharaoh Akhenaton Is there an unseen war between the Aryan and Semitic races Did Alexander the Great

discover the source of life in Dacia Did Pharaoh Tutankhamun's family practice black magic Does the Asteroid Belt come from the Mariana Trench Are the fallen angels at the top of the Masonic pyramid Is time travel possible Is the Apocalypse an event of the past Was Jesus possessed All these questions and many more can be answered by The Secrets of the Gods a secret history of the world based on the decoding of ancient myths as well as on the results of modern scientific research A unique and controversial interpretation of universal history which brings to the general public the secrets of the gods until now reserved only for the initiated

Jesus and his Two Fathers: The Person and the Legacy Uri Wernik, 2020-03-03 Who was Jesus in real life What inspired his ideas What did he aim to achieve What drew his disciples to him How was he influenced by them Unlike the many quests for the historical Jesus as a psychologist Wernik answers these questions from the perspectives of psychology and the social sciences This book's central axis is the theme of the father It looks at the family constellation into which Jesus was born where he was raised by a stepfather It also investigates the relationship he develops with God his father in heaven and examines how he became a father figure to his disciples and followers It is hoped that readers will also think about their own father when reading the one usually called dad Jesus and His Two Fathers sees Jesus love of peace and appeasement doctrine as well as his difficulty with anger control in the context of his upbringing and family constellation Wernik offers a solution to the problem of the missing years which were unaccounted in the New Testament He examines the internal conflicts in Jesus movement and the tensions with the religious establishment which led to his death Jesus did not see himself as the Messiah and Wernik shows him in fact as a great reformer of Judaism who changed the notions of righteousness the relation of the believers to God and the status of the commandments This book will be of interest to scholars teachers and students in the humanities and social sciences among others in the fields of religion especially Christianity and Judaism It is aimed at interested discerning readers of non fiction in these areas

Origins of Christianity David J.P Haasbroek,2020-08-28 Previous research about Jesus was confined to Israel only Researchers did so because they took it for granted that Christianity had begun on Jewish soil only Therefore the lacking information of the gospels forced researchers to conclude that Jesus was mythical and not historical This conclusion was due to the many Old Testament quotations that attribute to Jesus in the New Testament The Old Testament deals with Jewish history and the myths of the ancient world with whom the Jews have come into contact On that basis any nation can write an overview of its history and then use the myths of the ancient world to explain the intervention of gods in its history Likewise evangelists several centuries later have also been able to associate Jesus an orthodox Jewish king with the myths and politics of their times **Alexander the Great: Lessons in Strategy** David J. Lonsdale,2007-12-10 This book offers a strategic

analysis of one of the most outstanding military careers in history identifying the most pertinent strategic lessons from the campaigns of Alexander the Great David Lonsdale argues that since the core principles of strategy are eternal the study and analysis of historical examples have value to the modern theorist and practitioner Furthermore as strategy is so complex and challenging the remarkable career of Alexander provides the ideal opportunity to understand best practice in strategy as he achieved outstanding and continuous success across the spectrum of warfare in a variety of circumstances and environments This book presents the thirteen most pertinent lessons that can be learned from his campaigns dividing them into three categories grand strategy military operations and use of force Each of these categories provides lessons pertinent to the modern strategic environment Ultimately however the book argues that the dominant factor in his success was Alexander himself and that it was his own characteristics as a strategist that allowed him to overcome the complexities of strategy and achieve his expansive goals **The Secular And the Sacred Harmonized** Elsie T. Choice,2005-09-01 It is the result of

years of extensive and painstaking research Within its pages are shocking yet convincing revelations that force readers to reconsider what has been established as truths about mankind s past and purpose on planet Earth It harmonizes the Biblical account of Creation and the Theory of Evolution It applies historical events to the events described in the Biblical book of Revelation It proves that the earth gods of antiquity are the biblical fallen angels or demons today s extraterrestrials It is non proselytizing and reader friendly and all theories are supported by scientific data historical facts and holy texts It answers the age old questions of Who are we Why are we here and Where are we going **John, Jesus, and History, Volume 4**

Origins of Democracy ; Or, Rise of the Common Man John Hubert Greusel, 1923 Israel's Eschatological Enemy Timothy Allen Little, 2020-05-01 Who is the king of Babylon in Isaiah 14 The early church sometimes identified him as Nebuchadnezzar but most also saw a deeper meaning in Isa 14 12 14 believing this section referred to Satan Many current scholars reject both views and offer a variety of alternatives Little argues that shining one Lucifer in Isa 14 12 is the king of Babylon This book analyzes the mashal proverb genre and argues that the Isa 14 mashal must be a real person not a symbolic ideal eclectic or representative king Scholars have presented nine historic kings as the king of Babylon Little compiles a list of fifteen criteria from Isa 13 14 evaluates these nine kings and demonstrates that no historic king comes close to fulfilling the fifteen criteria Instead Little argues that the king of Babylon is Israel's eschatological enemy Through the use of catchwords and temporal particles he first demonstrates that the oracle is a unit Then he proves that this Babylonian judgment is eschatological All foreign languages have been translated allowing the student of prophecy and

theology to benefit from this work Those interested in the mashal genre Hebrew poetry and Isaianic exegesis will also find this book stimulating *Gods and Humans in the Ancient Near East* Tyson L. Putthoff, 2020-11-05 In this book Tyson Putthoff explores the relationship between gods and humans and between divine nature and human nature in the Ancient Near East In this world gods lived among humans The two groups shared the world with one another each playing a special role in maintaining order in the cosmos Humans also shared aspects of a godlike nature Even in their natural condition humans enjoyed a taste of the divine state Indeed gods not only lived among humans but also they lived inside them taking up residence in the physical body As such human nature was actually a composite of humanity and divinity Putthoff offers new insights into the ancients understanding of humanity s relationship with the gods providing a comparative study of this phenomenon from the third millennium BCE to the first century CE
