Rembrandt's Faith: Church and Temple in the Dutch Golden Age , An art historical study of Rembrandt s use of religious imagery arranged by subject matter Demonstrates the new ideas the artist brought to his interpretations of the Jerusalem Temple and the apostolate church as he explored the relationship between Jewish and Christian revelation in biblical history Provided by publisher Bernard Mandeville: A Treatise of the Hypochondriack and Hysterick Diseases (1730) Sylvie Kleiman-Lafon,2017-09-18 This work reflects on hypochondria as well as on the global functioning of the human mind and on the place of the patient physician relationship in the wider organisation of society First published in 1711 revised and enlarged in 1730 and now edited and published with a critical apparatus for the first time this is a major work in the history of medical literature as well as a complex literary creation Composed of three dialogues between a physician and two of his patients Mandeville s Treatise mirrors the digressive structure of a talking cure Thanks to the soothing and enlightening effects of this casual conversation the physician Mandeville demonstrates the healing power of words for a class of patients that he presents as men of learning who need above all to be addressed in their own language Mandeville s aim was to delineate his own cure for hypochondria and hysteria which consisted of a talking cure followed by diet and exercise but also to discuss the practice of medicine in England and continental Europe at a time when physicians were beginning to lose ground to apothecaries Opposing a purely theoretical approach to medicine Mandeville takes up the principles presented by Francis Bacon Thomas Sydenham and Giorgio Baglivi and advocates a medical practice based on experience and backed up by time tested theories Victorian Nightshades Elizabeth A. Campbell,2025-03-27 A darkly alluring plant family and the arrival of modernity Victorian Nightshades tells the story of how one plant family notorious for centuries in England because of its frequently psychoactive and poisonous properties rose to social and economic prevalence during the nineteenth century Beginning with bittersweet and belladonna the Old World species associated with evil witchcraft and dangerous women in an era when traditional botanical beliefs not only assigned morality to plants but also gendered them

Campbell then moves to the ubiquitous potato and tobacco before concluding with four of the Solanaceae that achieved the widest national favor by the end of the century the ornamental petunia and the edible pepper eggplant and tomato The story of the nightshades exposes the conflicts between science and popular sentiment and between knowledge and received opinion that defined the nineteenth century Campbell compellingly details how advances in medical and botanical knowledge evolutionary theory and the vagaries of human desire transformed the Solanaceae from a plant family plagued by fear and hostility in the British imagination to one of cultural favor and celebration by the turn of the century encapsulating the Victorian era s course to modernity

Beyond Slavery Chris Gooding,2023-06-05 Is there life beyond slavery In the past twenty years there has been an explosion of research related to human trafficking However very little of it has examined the moral issues that survivors face after they are freed or that aftercare workers face as they help survivors try to live a life outside of bondage And there has been almost nothing written on how the tools of moral and political theology might offer insight for Christians who wish to help survivors live a normal life after enslavement This book hopes to address this gap in the discussion Drawing on over fifty interviews with survivors aftercare workers and human trafficking specialists from his field work in India Chris Gooding confronts difficult questions that arise during rehabilitation Why do so many survivors of trafficking end up walking back into bondage What might life after slavery look like for survivors who helped enslave other people How can we build antislavery coalitions that keep survivors voices at the center Gooding looks at all these questions through the eschatological hope that Christians have that the Messiah will one day break every chain and free all people from all forms of bondage

Daily Variety ,1943 **The New Yorker** ,2001 **Republic of Signs** Anne Norton,1993-11-15 Norton examines the enactment of liberal ideas in popular culture in the possessions of ordinary people and the habits of everyday life She sees liberalism as the common sense of the American people a set of conventions unconsciously adhered to a set of principles silently taken for granted The author ranges over a wide expanse of popular activities e g wrestling roller derby lotteries shopping sprees and dining out as well as conventional political topics e g the Constitution presidency news media and centrality of law Yet the argument is pointed and probing never shallow or superficial Fred and Wilma Flintstone are as vital to the republic as Franklin and Eleanor Roosevelt In discussions that range from the Constitution and the presidency to money and shopping voting lotteries and survey research Norton discerns and imaginatively invents possibilities that exceed recognized actualities and already approved opportunities Richard E Flathman American Political Science Review Stimulating and stylish exploration of political theory language culture and shopping at the mall popular culture at its best informed by history and theory serious in purpose yet witty and modest in tone Bernard Mergen American Studies International *Red, White & Black* Frank B. Wilderson III,2010-03-19 *Red White* one by an Indian director *Skins* Chris Eyre and one by a White director *Monster s Ball* Marc Foster These films present Red and Black people beleaguered by problems such as homelessness and the repercussions of incarceration They portray social turmoil in

terms of conflict as problems that can be solved at least theoretically if not in the given narratives Wilderson maintains that at the narrative level they fail to recognize that the turmoil is based not in conflict but in fundamentally irreconcilable racial antagonisms Yet as he explains those antagonisms are unintentionally disclosed in the films non narrative strategies in decisions regarding matters such as lighting camera angles and sound

Major General Isaac Ridgeway Trimble Leslie R. Tucker, 2005-07-15 Major General Isaac Ridgeway Trimble one of the oldest and more eccentric officers involved in the Civil War made himself a favorite of Stonewall Jackson through his courage and stubborn energy Born to a Quaker family Trimble spent his childhood on the American frontier After graduating from West Point he served in the Old Army and then involved himself with the growing railroad industry of the 1830s living at the forefront of American modernization As the war began he sided with the South burning railroad bridges north of Baltimore to deny Washington the support of Union troops and then moving to Virginia He enlisted in the Engineers and constructed battery emplacements Commissioned brigadier general in late 1861 Trimble distinguished himself at Cross Keys Gaines s Mill Manassas and Gettysburg was involved in the Baltimore riots and spent time as a prisoner on Johnson s Island This biography covers Trimble s personal life and career with both the railroad and the military Simultaneously it serves as a case study of an American who chose to side with the South Before the war Trimble traveled freely between states and showed no early indication of a regional attachment The work uses Abraham Maslow s motivation model the hierarchy of needs to reconcile Trimble s self interest with his need to belong to a community It also raises various questions related to Southern history including community identity modernization and the concept of the New South

The Politics of Politeness Derek Edyvane, 2025-05-26 Politeness is political It is easy to disregard our everyday street level interactions and the politeness or impoliteness by which they are marked but those interactions determine the quality of the social atmosphere we inhabit and democracies cannot flourish without an atmosphere congenial to their ends We must therefore enlarge our understanding of citizenship to encompass the democracy of everyday living and we must learn to think politically about the dilemmas of politeness it presents The Politics of Politeness develops the first sustained account of ordinary citizenship Arguing for the political significance of everyday urban interactions Edyvane proposes an interpretation of politeness as civility and as a key political practice for democracies Against recent conceptualisations of polite civility as a communicative virtue the book elaborates an innovative ceremonial account that takes seriously the ritual like character of polite interaction and its embeddedness in a larger civilisational discourse Drawing on an eclectic range of sources from empirical ethnography to novels and TV shows the book offers a new perspective on familiar dilemmas of everyday politeness What should you do when codes of manners embarrassingly clash Should you say something when a shop assistant slights another customer or should you mind your own business How should you finesse awkward encounters with beggars and vagrants And is there ever any place for rudeness in polite society By treating these dilemmas as political problems as problems of democratic citizenship we gain fresh insight into them into why

they matter and how to navigate them more wisely **The History of the Family** James Casey,1989 **The Unintended Reformation** Brad S. Gregory,2015-11-16 In a work as much about the present as the past Gregory identifies the unintended consequences of the Reformation for the modern condition a hyperpluralism of beliefs intellectual disagreements that splinter into fractals of specialized discourse the absence of a substantive common good and the triumph of capitalism s driver consumerism *Vermeer and the Delft School* Walter A.
