## **Alfalfa Bill Murray:**

**Alfalfa Bill Murray** Keith L. Bryant, 2016-02-08 William H Alfalfa Bill Murray is the most important figure in the political history of Oklahoma No other individual contributed so greatly to the formation of its political institutions and there was never a more colorful or controversial character on the state's political scene Flamboyant unpredictable and stubborn Alfalfa Bill became a legend President of the Oklahoma Constitutional Convention speaker of the first House of Representatives two term congressman and governor of Oklahoma the Texas born Murray made an indelible mark on his adopted state But he also made enemies During the struggle for statehood he waged a hard battle over the constitution taking on President Theodore Roosevelt and Secretary of War William Howard Taft As Oklahoma governor Murray challenged the oil industry newspaper interests and the state of Texas To enforce his programs he relied on the National Guard While governor Murray called out the guard forty seven times for duties ranging from policing ticket sales at University of Oklahoma football games to patrolling oil fields to guarding the Red River Bridge during the infamous Bridge War with Texas In 1932 he ran for the Democratic nomination for president and his fame spread across the nation When candidate Franklin D Roosevelt offered a program for national recovery Murray countered with Bread Butter Bacon and Beans In describing Murray's frustrated efforts to preserve the agricultural American of the nineteenth century Bryant has written a perceptive biography presenting the first clearly defined portrait of this determined but inflexible man [Alfalfa Bill](#) Robert L. Dorman, 2018-10-04 In this masterful biography Robert L Dorman traces the career of William H Alfalfa Bill Murray from his hardscrabble childhood in post Civil War Texas to his remarkable ascendancy as a nationally known political figure in the mid twentieth century The first comprehensive portrait of Murray to be published in fifty years Alfalfa Bill is both the exploration of a larger than life personality and an illuminating account of the birth of political conservatism in Oklahoma As Dorman reveals no political label readily fit Murray The core conservatism of his Texas years was caught up in the ferment of three major periods of American reform the Populist uprising the Progressive Era and the New Deal Over his long career Murray strongly advocated for states rights limited government and strict constitutionalism yet he was also a consistent foe of corporations and concentrated wealth The society he sought was small scale decentralized agrarian and racially segregated Although he claimed to represent high principles Murray as a politician was an opportunist loved a good fight had a flair for the theatrical and hungered for power Dorman depicts Murray from his days as a political operative in the Chickasaw Nation to his leadership of the Oklahoma Constitutional Convention and from the Speaker's chair of the Oklahoma legislature to the halls of Congress The book follows Murray's quixotic attempt to found an agricultural colony in Bolivia and chronicles his amazing Oklahoma comeback in the 1930 gubernatorial election The final chapters detail Murray's legendary term as state governor his failed candidacy for president and his emergence as a fierce critic of New Deal liberalism and racial desegregation Unlike earlier biographies of Murray Alfalfa Bill brings issues of race class and gender to the forefront often in surprising ways On

the surface the Murray saga was an American success story yet his rise came at a price for Murray himself his family and the people of the state he helped to create An indelible portrait emerges of an ambitious domineering relentless and unapologetically racist figure whose tarnished legacy seems painfully relevant in America s current political climate

**Call Down the Hawk - the Bryan Factor** Richard Folmar,2004 In June of 1912 delegates to the Democratic national convention arrived in Baltimore to find an oppressive humidity and the best opportunity in sixteen long years to unseat the Republicans from the presidency Two weeks before the Republican convention in Chicago had come apart with the walk out of Teddy Roosevelt and his Bull Moose faction It essentially would have two candidates Roosevelt and President Taft Major hopefuls for the Democratic nomination were Champ Clark of Missouri Judson Harmon Ohio Oscar Underwood Mississippi and Woodrow Wilson New Jersey There were also in the event of a deadlock and no way to be described as a dark horse the three times party nominee William Jennings Bryan Seth Cane a small town Oklahoma lawyer and son of the late wealthy and powerful Texas rancher Warren Cane arrived in Baltimore as a member of the Oklahoma delegation He was tired and irritable being a few days late because of his wife having just left him with hints of making it permanent He found himself

immediately involved with Bryan's strategy to throw the gauntlet in the face of Tammany Boss Charles Murphy and his plans to spike Bryan's guns. The battle for which Bryan told the press he was sending home for his fighting clothes to stop the reactionary Judge Alton B. Parker from being the temporary chairman and key note speaker was the first shot that would escalate into fist fighting in the aisles, intemperate threats against Bryan's life, hints of a possible Bull Moose type of walk out and devastation in the view of all candidates of a deadlock allowing Bryan to again stampede the convention into his fourth nomination.
