Dear Beloved Son - Ayyuhal Walad Al-Ghazali, 2015-03-14 I seek Allahs refuge from the knowledge which is of no benefit This disciple of Imam Ghazali RA kept thinking along these lines for a few days and then wrote a letter to Imam Ghazali RA with the view of getting an answer to his dilemma along with some other questions Furthermore he asked in his letter to Imam Ghazali RA for some advice and to teach him a supplication that he could always recite He wrote in his letter that although Imam Ghazali RA has written numerous books on this issue this weak individual is in need of something that he could always study and always act upon its injunctions In reply to his letter Imam Ghazali RA sent him the following advices

Argumentationslogik kurz nachgezeichnet wird. Daran schließt sich eine Perspektivenverschränkung an, in der Momente der Nähe wie auch der Fremdheit markiert und reflektiert werden. Abschließend werden die Texte bezüglich ihres Inspirationspotenzials für die heutige religiöse Bildung befragt. Durch die mehrperspektivische Durchdringung religionspädagogischer Schlüsseltexte öffnet der Band den Blick für die Vielfalt und den Reichtum religiöser Bildungstraditionen, trägt zum Abbau stereotyper Sichtweisen bei und fundiert die gegenwärtigen Bemühungen religiöser Akteure in Kontexten öffentlicher Bildung, verstärkt gemeinsam Verantwortung wahrzunehmen.

O Son! A Translation of Ayyuhal Walad Abu Hamid Al-Ghazali, 2025-08-15

One of al Ghazali's advanced students wrote to the Imam with a question: From all the fields of knowledge, what will benefit us most in the grave? The student clarified that while he could certainly find the answer to his question within al Ghazali's longer works such as the *Ihya Ulum al Din*, he wished for his teacher to give him a formal opinion, short enough that he could keep it with him at all times and refer to it constantly. Ayyuhal Walad is the great Imam's response, a personal note from al Ghazali to his student and by extension to anyone who desires to follow their way. Imam al Ghazali elucidates the following for his student and for the modern reader: The precise nature of the relationship between knowledge and action and the role of each in one's striving for paradise; The significance of the night prayer; Some advice from Luqman the Wise to his son and its enduring meaning and importance; A concise definition of obedience and worship which al Ghazali states is the quintessence of knowledge; The four matters that are required of a spiritual traveler; A single hadith that contains the entirety of the knowledge of the ancients as well as the men and women of latter days; Eight lessons that are sufficient for deliverance and salvation. Ayyuhal Walad, translated here as *O Son*, is designed to be read and reread and referred to frequently throughout one's life. The reader must take note that the original recipient of this letter was a top student of Imam al Ghazali and therefore likely a scholar of the highest calibre himself. This book is thus invaluable simply as a record of the interaction between one of the Umma's greatest teachers and his esteemed disciple. However, al Ghazali's prescriptions are conveyed with such clarity that any Muslim of high aspiration will benefit from this text. This edition includes Ustadh Moustafa Elqabbany's meticulous English translation side by side with al Ghazali's original Arabic epistle. This arrangement allows the English-speaking reader to get a taste of al Ghazali's unique style while students of Arabic may peruse the Imam's masterful Arabic prose alongside Ustadh Moustafa's elegant English rendition.

My Dear Child - Ayyuhal Walad

Muhammad Ibn Muhammad Ibn Al-Ghazali, 2022-10-04

In the 5th Century of Islam, the Imam, the faith reviver, the proof of Islam and the Muslims, Zainuddin Abu Hamid Muhammad ibn Muhammad ibn Muhammad ibn Ahmad, more famously known as Al Ghazali of Tus and Tabaran and of the Shafi Madhab, May Allah be pleased with him, wrote a short letter in reply to a number of questions put to him by one of his old students. This student had studied and mastered the secular and religious science but now wanted to know what knowledge and action would help him on his journey in the life hereafter. Imam Ghazali wrote back, distilling decades of philosophical thought into a relatively short letter which was then turned into a booklet.

Al-Musleh,2019-10-16 Numerous studies have been done on Imam al Ghazali 1058 1111 in almost all major languages So much is the academic attention given to him and deservedly so that it is difficult to find any element of originality in a new study on him Various aspects of his life and thought have yet to be adequately studied one of them being his role in islah Islamic reform It is also true that the study of islah as a separate topic is somewhat new and available literature on the subject is limited within the views and the achievements of a number of distinguished scholars in the modern times This work attempts to discover part of the rich legacy of the reformers by introducing a pre modern scholar as Imam al Ghazali *The Faith and Practice of Al-Ghazālī* Ghazzālī,William Montgomery Watt,1982 Al Ghazali was one of the great Muslim theologians In this book the author provides a translation of some of his works including his spiritual autobiography Al Ghazali s description of his own emergence from scepticism anticipates the philosophical method of systematic doubt employed by Descartes Another work translated here sets out Al Ghazali s ideal of how a religious person should order his life from hour to hour and day to day
