Masonic Generals of the Oklahoma National Guard: 1894-1965 Trasen Solesmont Akers, 2014 A collection of biographies of Adjutants General of the Oklahoma National Guard and Commanding Generals of the 45th Infantry Division that were members of the Masonic Fraternity of Oklahoma **The Wild West** Michael Wallis, 2011-05-27 An extensively illustrated day by day adventure that tells the stories of pioneers and cowboys gold rushes and saloon shoot outs on America s frontier

Beginning in the nineteenth century the lure of land rich in minerals fertile for farming and plentiful with buffalo bred an all out obsession with heading westward *The Wild West 365 Days* takes you back to these booming frontier towns that became the stuff of American legend breeding characters such as Butch Cassidy and Jesse James Prize winning journalist and historian Michael Wallis spins a colorful narrative separating myth from fact in 365 vignettes Learn the stories of Davy Crockett Wild Bill Hickok and Annie Oakley travel to the O K Corral and Dodge City ride with the Pony Express and witness the invention of the Colt revolver Included throughout are images drawn from Robert G McCubbin s extensive collection of Western memorabilia encompassing rare books photographs ephemera and artifacts including Billy the Kid s knife

Wyoming Range War John W. Davis, 2012-09-05 Wyoming attorney John W Davis retells the story of the West s most notorious range war Having delved more deeply than previous writers into land and census records newspapers and trial transcripts Davis has produced an all new interpretation He looks at the conflict from the perspective of Johnson County residents those whose home territory was invaded and many of whom the invaders targeted for murder and finds that contrary to the received explanation these people were not thieves and rustlers but legitimate citizens The broad outlines of the conflict are familiar some of Wyoming s biggest cattlemen under the guise of eliminating livestock rustling on the open range hire two dozen Texas cowboys and with range detectives and prominent members of the Wyoming Stock Growers Association invade north central Wyoming to clean out rustlers and other undesirables While the invaders kill two suspected rustlers citizens mobilize and eventually turn the tables surrounding the intruders at a ranch where they intend to capture them by force An appeal for help convinces President Benjamin Harrison to call out the army from nearby Fort McKinley and after an all night ride the soldiers arrive just in time to stave off the invaders annihilation Though taken prisoner they later avoid prosecution The cattle barons powers of persuasion in justifying their deeds have colored accounts of the war for more than a century *Wyoming Range War* tells a compelling story that redraws the lines between heroes and villains **The**

Six-Shooter State Jonathan Obert, 2018-10-18 Public and private forms of violence have co evolved rather than competed in America s political development since the nineteenth century George Scarborough Robert K. DeArment, 1996-04-01

George killed John Selman and now the story of his life and his controversial killings while wearing the badge show who he was tried 3 times and acquitted each time **Bad Company and Burnt Powder** Bob Alexander, 2014-07-15 *Bad Company and Burnt Powder* is a collection of twelve stories of when things turned Western in the nineteenth century Southwest Each chapter deals with a different character or episode in the Wild West involving various lawmen Texas Rangers outlaws feudists vigilantes lawyers and judges Covered herein are the stories of Cal Aten John Hittson the Millican boys Gid Taylor and Jim and Tom Murphy Alf Rushing Bob Meldrum and Noah Wilkerson P C Baird Gus Chenoweth Jim Dunaway John Kinney Elbert Hanks and Boyd White and Eddie Aten Within these pages the reader will meet a nineteen year old Texas Ranger figuratively dying to shoot his gun He does get to shoot at people but soon realizes what he thought was a bargain exacted a

steep price Another tale is of an old school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado He was tough salty and had no quarter for cow thieves or sympathy for any mealy mouthed politicians He cleaned house maybe not too nicely but unarguably successful he was Then there is the tale of an accomplished and unbeaten fugitive well known and identified for murder of a Texas peace officer But the Texas Rangers couldn't find him County sheriffs wouldn't hold him Slipping away from bounty hunters he hit Owlhoot Trail Bloody Bill Longley Rick Miller, 2011 William Preston Longley 1851-1878 went on a murderous rampage over the last few years of his life Once he was arrested in 1877 and subsequently sentenced to hang his name became known statewide as an outlaw and a murderer Longley created and reveled in his self-centered image as a fearsome deadly gunfighter In truth Longley was not the daring figure that he attempted to paint Assault on the Deadwood Stage Robert K. DeArment, 2012-02-27 In the 1870s Deadwood was a thriving and largely lawless boomtown And as any fan of western history and films knows stagecoach robberies were a regular feature of life in this fabled region of Dakota Territory Now for the first time Robert K DeArment tells the story of the good guys and bad guys behind these violent crimes the road agents who wreaked havoc on Deadwood's roadways and the shotgun messengers who battled to protect stagecoach passengers and their valuable cargo **Rawhide Ranger, Ira Aten** Bob Alexander, 2011 Ira Aten was the epitome of a frontier lawman He enrolled in Company D of the Texas Rangers during the transition from Indian fighters to peace officers The years Ira spent as a Ranger were packed with adventure border troubles shoot outs major crimes and manhunts Aten's role in these events earned him a spot in the Ranger Hall of Fame **Deadly Dozen** Robert K. DeArment, 2012-03-30 Think gunfighter and Wyatt Earp or Billy the Kid may come to mind but what of Jim Moon Joel Fowler Zack Light A host of other figures helped forge the gunfighter persona but their stories have been lost to time In a sequel to his Deadly Dozen celebrated western historian Robert K DeArment now offers more biographical portraits of lesser known gunfighters men who perhaps weren't glorified in legend or song but who were rightfully notorious in their day DeArment has tracked down stories of gunmen from throughout the West characters you won't find in any of today's western history encyclopedias but whose careers are colorfully described here Photos of the men and telling quotations from primary sources make these characters come alive In giving these men their due DeArment takes readers back to the gunfighter culture spawned in part by the upheavals of the Civil War to a time when deadly duels were part of the social fabric of frontier towns and the Code of the West was real His vignettes offer telling insights into conditions on the frontier that created the gunfighters of legend These overlooked shooters never won national headlines but made their own contributions to the blood and thunder of the Old West people less than legends but all the more fascinating because they were real Readers who enjoyed DeArment's Deadly Dozen will find this book equally captivating as gripping as a showdown twelve times over Ballots and Bullets Robert K. DeArment, 2006 The complete story of the controversial county seat wars that raged in Kansas from 1885 to 1892 is told in this narrative that relives the violence that only avarice can breed

and offers detailed portraits of such notorious participants as Sam Wood Bat Masterson Theodosius Botkin and Bill Tilghman

Calling the Brands Monty McCord, 2018-07-01 Calling the Brands tells the story of the range detectives stock detectives and inspectors who usually worked completely alone courageously capturing or killing livestock rustlers in order to assure the survivability of the ranchers The detectives and inspectors had to be proficient in calling the brands which meant being able to read a brand and identify its owner While most western lawmen s titles and many of them are familiar less well known are the various titles and names of those who protected the cattle industry from being carted away lock stock and barrel by the unscrupulous and who helped shaped the West as we know it **Texas Ranger Lee Hall** Chuck Parsons, 2020-02-15 Jesse Lee Hall 1849 1911 was one of many young men seeking a new life following the Civil War when he left North Carolina to find adventure in Texas After a stint as a deputy sheriff and a Sergeant at Arms in the House of Representatives he joined Captain Leander McNelly s Texas Ranger Special State Troops in 1876 This was the career move that he had needed as he soon found enough action in South Texas When McNelly could no longer command due to illness Hall was named to take his place Hall was involved in arresting King Fisher and his gang and he with a small squad arrested seven of the Sutton faction effectively ending the bloody Sutton Taylor Feud One of his men John B Armstrong finally captured the most wanted man in Texas John Wesley Hardin in far off Florida In 1878 Hall took part in the gun battle ending the career of outlaw Sam Bass Nearing his fiftieth birthday Hall hoped to join Teddy Roosevelt s Rough Riders but that did not happen Instead he was posted to the Philippines where as a commander during the Philippine Insurrection he was so badly injured that he was given a medical discharge The old warrior died in San Antonio in 1911 loved and respected having a reputation equaled by few

More Than Cowboys Tim Slessor, 2013-06-11 So many books about the American West leave out the more intriguing details When in 1803 the young USA doubled its size with the purchase from France of an unexplored vastness called La Louisiane it was a British bank which lent the Americans most of the 15 million that they didn t have So the financial papers for the biggest real estate deal in history are to this day held in a London vault Not many people know that If his ranching uncle by marriage had had his way the teenaged Winston Churchill a disappointing scholar might have been sent west to Wyoming to train as a cowboy Who knows but in time he himself might have become a rancher How then would history have turned out Another ranching Englishman played a key role in recruiting a small army of Texas gunmen to invade northern Wyoming and kill more than 40 small settlers men who had too easily been accused of being rustlers The plan went badly wrong But the Englishman had slipped away gone home on holiday It seems unlikely that Butch Cassidy was killed in a Bolivian shoot out It seems that he returned under a false name to live out his days in the West In 1935 he even submitted a autobiographical script to Hollywood only to have it rejected as being too preposterous to be believable He died two years
