Bridget Riley: Recent Paintings 2014-2017 Bridget Riley, Richard Shiff, 2018-11-20 The quest for discovery

through looking is the driving force of Bridget Riley's work as she has written More than anything else I want my paintings to exist on their own terms That is to say they must stealthily engage and disarm you There the paintings hang deceptively simple telling no tales as it were resisting in a well behaved way all attempts to be questioned probed or stared at and then for those with open eyes serenely disclosing some intimations of the splendors to which pure sight alone has the key This publication unfolds along the lines of Riley's 2018 exhibition at David Zwirner London Beginning with an exploration of black and white equilateral triangles Riley leads the viewer into an awareness of the ways in which a surface wall or canvas can affect a seemingly simple form the triangle While she demonstrates these subtle changes Riley manipulates this form by bending its sides At first sight the viewer may experience this as a breaking apart but as one continues to look serpentine movements appear or large shadowy triangles which advance and recede These paintings constantly reinvent themselves through looking Riley is revisiting and developing works which she initiated over fifty years ago as is shown here by the inclusion of Black to White Discs 1962 1965 in the exhibition This diamond formation of discs which graduates in tone from white to black and back again offers a lead in to her new body of work In Cosmos and the Measure for Measure series Riley recalls a group of subtly shaded colors used this time in discs While the compositions remain fundamentally the same the play of colors changes every time The exhibition ends with a surprisingly spacious wall painting that offers the viewer many delights not least among them a dance of fugitive white lights Here Riley disarms the viewer encouraging us once again in an adventure of discovery In his essay Richard Shiff explores Riley's ability to give new life to basic forms as she invites the audience any audience to help participate in the painting *Sailing in Grandfather's Wake* Ian Tew, 2001 Ian Tew was born into a seafaring family and learned to sail at the age of seven [Australian Bed & Breakfast](#) Carl Southern, 2009-01-01 The Australian Bed and Breakfast Book includes some of Australia's best Bed and Breakfast accommodation First published in 1989 this 22nd Edition has been completely updated and revised for 2010 The publication includes a selection of the best hosted accommodation across the country and in every state Included in this title are detailed entries full colour photographs clear maps and comprehensive indexes on a complete range of accommodation from Bed and Breakfasts and Farmstays to Self Contained Cottages and Apartments Luxury Retreats Guesthouses and Small Hotels Accommodation in each state is listed alphabetically by location *Mother Jones Magazine*, 1989-10 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues [Worldwide Destinations](#) Brian G.
