All Aboard For Christmas:

All Aboard! The Christmas Train Nichole Mara, 2018-10-16 Folding out car by car this accordion style book takes readers on a tour of Santa's Christmas train. Each car has lots to see: elves making toys, penguins playing reindeer, preparing for the big day as Santa searches for his missing boot. With a running landscape dotted with objects for children to find and count on the back of the book. **All Aboard The Christmas Train** is a fun interactive ride from beginning to end. The Hallmark Channel Emily L. Newman, Emily Witsell, 2020-04-29 Originally known as a brand for greeting cards, Hallmark has seen a surge in popularity since the early 2010s for its made-for-TV movies and television channels: the Hallmark Channel and its spinoffs Hallmark Movie Channel, now Hallmark Movies & Mysteries, and Hallmark Drama. Hallmark's brand of comforting, often sentimental content includes standalone movies, period and contemporary television series, and mystery film series that center on strong intuitive female leads. By creating reliable and consistent content, Hallmark offers people a calming retreat from the real world. This collection of new essays strives to fill the void in academic attention surrounding Hallmark. From the plethora of Christmas movies that are released each year to the successful faith-based scripted programming and popular cozy mysteries that air every week, there is a wealth of material to be explored. Specifically, this book explores the network's problematic relationship with race, the dominance of Christianity, and heteronormativity; the significance placed on nostalgia; and the hiring and re-hiring of a group of women who thrived as child stars. **All Aboard the Christmas Train** Priddy Books, Roger Priddy, 2021-09-07 Jump aboard the Christmas Train and help the busy train driver deliver lots of special gifts around the winter wonderland in this interactive book. With six play pieces and die-cut pages, children can slide the train through the die-cut holes in the book whilst collecting and delivering a different play piece in every snow scene. The chunky reusable play pieces are perfect for little hands to hold and can be safely stored in the embedded compartment in the cover whilst the classic illustration style and imaginative format adds extra appeal. *Sylvia Plath Day by Day, Volume 1* Carl Rollyson, 2023-08-14 Since Sylvia Plath's death in 1963, she has become the subject of a constant stream of books, biographies, and articles. She has been hailed as a groundbreaking poet for her starkly beautiful poems in *Ariel* and as a brilliant forerunner of the feminist coming-of-age novel in her semiautobiographical *The Bell Jar*. Each new biography has offered insight and sources with which to measure Plath's life and influence. *Sylvia Plath Day by Day*, a two-volume series, offers a distillation of this data without the inherent bias of a narrative. Volume 1 commences with Plath's birth in Boston in 1932, records her response to her elementary and high school years, her entry into Smith College, and her breakdown and suicide attempt, and ends on February 14, 1955, the day she wrote to Ruth Cohen, principal of Newnham College, Cambridge, to accept admission as an affiliated student at Newnham College to read for the English Tripos. *Sylvia Plath Day by Day* is for readers of all kinds, with a wide variety of interests in the woman and her work. The entries are suitable for dipping into and can be read in a minute or an hour. Ranging over several sources, including Plath's diaries, journals, letters, stories, and other prose.
