*The Unfinished Dollhouse* Michelle Alfano,2017-10-21 No mother is prepared for the moment when a child comes out to her as a person whose physical gender is out of keeping with his emotional and psychological gender identity In Michelle Alfano's intimate memoir she recounts her experience as the mother of a transgender child The central metaphor of *The Unfinished Dollhouse* tells the story on Frankie's fourth birthday her parents Michelle and Rob purchased a kit to create a beautiful dollhouse Michelle imagined building the home buying the tiny pieces of furniture and accessories to fill it and more importantly the times she and her daughter would spend constructing the perfect dollhouse a fantasy of domestic and familial happiness Frankie expressed no interest in such typically girlish pursuits because Frankie harboured a secret a secret about gender In the years to follow Frankie's parents experienced an education in parenting a child transitioning from female to male which pronouns to use how to disclose the information to friends family school and how to deal with the reactions of all some heartening some surprising some disappointing There is no memoir like *The Unfinished Dollhouse* in the Canadian cultural landscape a memoir by the mother of a transgender child *Every girl's stories, by G.
