Allisons Affair With The High School Principal:

Allison's Affair with the High School Principal Ben Rowland, 1992 ALLISON S AFFAIR WITH THE HIGH SCHOOL PRINCIPAL is a factual account of a public school district's blatant racial discrimination practices in an all white rural community in the midwest. A teacher refuses to supervise a perspective student teacher telling the principal I m not going to work with any God damn niggers. The principal attempts to rectify the unlawful situation encounters not only apathy lack of support but an aggressive vindictive attack on his character by the school superintendent board president. A conspiracy ensues. The black college student is denied from student teaching at the school by the superintendent. The teacher's racist attitude is minimized his discrimination practices covered up by the school board president superintendent. The high school principal is fired in retaliation for refusing to accept the school district's racist philosophy. Reviewers in 1992 said Concisely written A soul searching story that should scare the hell out of all of us A shocking story. The fired high school principal wins the civil rights state supreme court rulings but is not reinstated to his former position. Yet the teacher whose racist actions were clearly exposed during litigation continues to teach. Where is the justice Where is the outrage. An outstanding book for teachers administrators school board members. This is a situation that could happen to any of us *Beauty Queen Murder - Allison Baden-Clay* Pamela Lillian Valemont, 2014-08-09 A lone kayaker found her lying as if asleep on the steep muddy bank of Kholo Creek where it adjoins the Brisbane River her body and the river swollen from the torrential Queensland April rains. This is the story of the trial interwoven with the forensic numerological profile of the three people involved in the love triangle Allison former local beauty queen and mother of three young girls her husband Gerard who was also her murderer and his lover Toni McHugh. This real life crime was committed in Brisbane Australia in 2012. In July 2014 Gerard Robert Baden Clay great grandson of Scouting pioneer Lord Robert Baden Powell was given a life sentence of 25 years with the non parole period set at 15 years. He is currently serving out that sentence at the Wolston Park Correctional Centre at Wacol just kilometres away from where the murder was committed at Brookfield and Allison's body dumped. It is also only kilometres away from the town of Redbank where his lovely bride a country girl grew up On the Borders of Convention Aleksandra Nikčević Batrićević, 2010-05-11 The research presented in this book is authored by scholars coming from as distant regions as South Africa the United States of America Great Britain France Italy Belarus the Balkans. Needless to say that one of the good things about this international cooperation is that owing to their different socio cultural backgrounds these scholars have contributed to producing an extremely varied picture of ways of approaching the challenge of a changing world. The papers on literature and culture collected in this book contribute a further element of rigour into the discussion of numerous and always varying and changing borders of convention in a literary text literary genre and literary theory as well as in general culture and everyday paths of life. Starting with oral cultures over the classic literary masters modernist and postmodernist textual and theoretical phenomena the twentieth century flouting of numerous social and gender convention

through painting film dance contemporary music as well as graffiti We have sought to stress that what is most noticeable from the evidence of their studies is that scholars today concern these issues through a dynamic global process and beyond any preconceived design or any strict set of theoretical prescriptions which would otherwise lead them to ignore the ever shifting borders in literature and culture as well as in global socio cultural reality in general The variety and complexity of these essays offer fresh views to the problem posed in the title of the book Therefore we trust that they will stimulate intellectual confrontation and circulation of ideas within the field of literature and cultural studies

Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors Reading Contemporary Urban Fantasy offers classroom ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less studied works for instance Penny Dreadful and Anita Blake The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre This collection demonstrates the way that representations of gender and the kick ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes making it a fascinating text for any course such as first year studies literature film gender studies sociology cultural studies history and more
