Crazy House Sane House:

Crazy House Sane House George G. Bloomer, Jeannie Bloomer, 2001 Discover the keys to building a strong house a strong marriage and a strong future Crazy house or sane house the choice is yours Astounding disclosures! Three years in a Mad-House. By a victim. Written by himself ... Also, a short account of the ... torture of ... Miss E. T. Stone, etc. Second edition, ... with ... additions Isaac H. Hunt, 1852 **Just Around the Bend** Philip Palermo, 2003-06-11 Just Around the Bend is a look beneath the fanciful images of America to the brutal betrayal of Americans by the courts the mental health system schools insurance companies banks and even the churches From my fathers trial for murder for defending his sister against spousal abuse to my own law practice my life is the story of constant struggle to reach a peace that my mother once said was just around the bend That long bend up the mountain has run from Pennsylvania where I was born to Nevada and then to California The journey challenges every readers expectations **Ten Days in a Mad-House** Nellie Bly, 2019-09-18 At the age of 23 pioneering reporter Nellie Bly faked dementia in order to expose abuses of patients in Blackwell s Island Insane Asylum in New York City Such investigative journalism was unusual in 1887 almost as rare as women reporters Bly s subsequent articles created a sensation exposing the rampant psychological and physical mistreatment of inmates many of whom were not mentally ill but simply recent immigrants and other impoverished individuals without social support Her accounts led directly to significant increases in funding and improvements in asylum management Born Elizabeth Jane Cochran Nellie Bly 1864 1922 reported on inequalities women faced in the workplace and in the legal system and she served as a foreign correspondent in Mexico Two years after her undercover work at Blackwell s Island Asylum Bly circled the globe to test the feasibility of Jules Verne s Around the World in 80 Days and beat the fictional record by eight days This new edition of her groundbreaking reports from the asylum features 17 period illustrations from the original publication Ten Day in Mad-House Nellie Bly, 2024-02-22 I have stated in the preface to the first Edition of this work and in the Zoology of the Voyage of the Beagle that it was in consequence of a wish expressed by Captain Fitz Roy of having some scientific person on board accompanied by an offer from him of giving up part of his own accommodations that I volunteered my services which received through the kindness of the hydrographer Captain Beaufort the sanction of the Lords of the Admiralty As I feel that the opportunities which I enjoyed of studying the Natural History of the different countries we visited have been wholly due to Captain Fitz Roy I hope I may here be permitted to repeat my expression of gratitude to him and to add that during the five years we were together I received from him the most cordial friendship and steady assistance Both to Captain Fitz Roy and to all the Officers of the Beagle I shall ever feel most thankful for the undeviating kindness with which I was treated during our long voyage *The Lionkeeper of Algiers* Des Ekin, 2023-03-15 WINNER of the Journal of American Revolution s Book of the Year for 2023 In 1785 just a few years after U S Independence a young American named James Leander Cathcart is kidnapped at sea and carried as prisoner to the maverick North African statelet of Algiers where he is held as a political

hostage along with hundreds of other seamen captured on the open seas The piratical corsairs of Algiers have decided without any warning to exploit the vulnerability of the newborn United States by seizing its mariners and holding them for ransom while ruthlessly exploiting their free labor Today the name of James Leander Cathcart has been all but forgotten by history And yet he was one of the most remarkable figures in the early story of the fledgling United States The Lionkeeper of Algiers reveals the extraordinary and unlikely story of Cathcart who thanks to his flair for languages and his formidable human intuition rose steadily up the ranks from lionkeeper at the Dey s private zoo to become Chief Clerk at the Palace along the way amassing a chain of taverns in Algiers that functioned as safe houses and food banks for American prisoners Eleven years later just one among more than one hundred US hostages in Algiers Cathcart was paroled back to America and charged with delivering a vital letter to President George Washington saving a tenuous peace deal and bringing the other captives home Remarkably his sense of honor compelled him to go back to Algiers where he had never formally been made free to see the peace project through Cathcart would go on to become a U S diplomat in the lands where he was held captive for more than a decade Featuring some of the most prominent Americans of the era like Thomas Jefferson and John Adams as well as ordinary citizens like Hannah Stephens the wife of a sea captain who tirelessly lobbied Congress until she was finally reunited with her husband after more than a decade author Des Ekin s captivating storytelling brings this adventure to life This page turning narrative follows the twists and turns of Cathcart s own life upon the international stage of diplomacy trade and maritime statecraft at a time when America s place in the world was hanging in the balance
