Kris Attfield,2010-12 **Start from Where You Are** Ken Esrig,2011-08-11 Start From Where You Are is a guide for you the entrepreneur to a place that will help you reach your personal goals both financially and emotionally Learn how to take your current situation and turn it into success Follow your heart and learn how to create a business through simple to understand and fun examples The lack of jobs and crash of the housing market have left an entire country looking for ways to pay their bills The internet has helped turn ordinary people into entrepreneurs forced to find new sources of income Americans are weighing their options and starting businesses at unbelievable rates Rather than being hardcore entrepreneurs these are regular people surviving financial crisis and potential foreclosure You are the hero in your story You will be given simple clues to how you can make your life exciting and fulfilling Too much you say Then you do not believe in yourself and your ability Regardless of where you have been in the past you now find yourself where you are Start From Where You Are by taking a personal assessment of who you really are and what you enjoy doing I have included a worksheet called the 1 2 3s of Short Term Goals which can be completed while you read You should pay attention to the thought process that has been laid out for you Thinking like an entrepreneur is natural for some yet seemingly impossible for others There are no guarantees in life and your journey will not be easy If you assume the role of hero and muster your brains heart and courage you can Start From Where You Are You must begin by believing that the hero always wins with the right plan So Start From Where You Are **Seoul Shadows** Yuna Lim,2025-02-25 Seventeen year old Kim Ji soo has spent five years believing her father was nothing more than a boring government clerk who died in an accident But when she discovers a mysterious coded card hidden in his vinyl record collection followed by a suspicious break in at her apartment Ji soo s ordinary high school life shatters With the help of Min ho a secretive new transfer student with uncanny skills and her best friend Yuna whose family restaurant hides underground connections Ji soo decodes her father s messages hidden in music What she uncovers is devastating her father was an intelligence agent who was murdered for discovering a vast conspiracy using K pop choreography to transmit covert operational codes As Ji soo infiltrates the glittering world of Korean entertainment to find proof she becomes the target of Director Jung the powerful intelligence chief behind her father s death When Eclipse Korea s hottest boy group gets caught in the crossfire Ji soo must convince their leader that they re being used as unwitting pawns in a dangerous game Racing against time and pursued by deadly operatives Ji soo must navigate a web of deception where nothing is as it seems not the entertainment industry not the government she once trusted and not even the quiet classmate who harbors his own vendetta against the conspiracy With her father s encoded notebook as her guide Ji soo must expose the truth before she becomes the next victim of a conspiracy that moves to the rhythm of K pop s perfectly synchronized choreography In a city where secrets pulse beneath the neon surface the key to survival might just be hidden in plain sight in the precise movements of a dance that millions watch but only few truly see *Homecoming* Henry A.

Burns,2023-09-15 Jeremy Blunt is warning from beyond the grave Kasumi and Little Bit have a secret plan to make the Alsoo even stronger The Alsoo are developing a government on Earth and Brother Hope rules the largest concentration of Alsoo remaining on Burrow home Kusumi gives Big Rock and his family a chance to return home Yūgen LL Wright,2025-05-27 During the Star Festival Lorna makes a wish and this wish is to find her one true love This story is a mix of Japanese mythology and meddlesome gods The book starts with Lorna s confused and manic state in her hotel room As the story unfolds we learn parts of her horrible traumatic and supernatural event that happened to her in Japan She tries to figure out why she is having flashes of memories of places she had never visited before With danger at every turn in an unknown land a magical sword transports her back in time to the Edo period A handsome silver haired shapeshifter finds her Being a modern woman in a country that does not allow foreigners Lorna has to navigate her heart and try to get back to her time while battling evil foes One really likes to face their inner demons and see the parts of oneself that one hates This is Lorna in yugen version instead of Alice in Wonderland But it was real and the beings that are out there are dangerous nightmares brought to life Going back to the present and what Lorna will learn is a game changer The sword that transcends time has the power to freeze anyone in their tracks Join this adventure And will love save all This is a more realistic story with twists and a girl who will change her mind for her own happiness *The Babe Ruth Deception (A Fraser and Cook Historical Mystery, Book 3)* David O. Stewart,2020-10-06 A Country Doctor and Ex Ballplayer Save The Bambino from Thugs the Baseball Commissioner and Himself in the Historical Fiction Novel The Babe Ruth Conspiracy from Author David O Stewart New York City 1920 21 In 1920 Babe Ruth larger than life on the ball field and off is enjoying a record breaking season in his first year as a New York Yankee when his 1918 World Series win falls under suspicion of being fixed Then rumors start that his silent movie Headin Home was bankrolled by the top aide to gambling kingpin Arnold Rothstein Ruth turns to Speed Cook a professional ballplayer before the game was segregated and who now promotes Negro baseball for help If anyone knows the dirty underbelly of America s favorite pastime it s Cook Cook enlists the help of a long time friend Dr Jamie Fraser whose new wife Eliza coproduced the Babe s silent film While Cook Fraser and Eliza dig for the truth protecting the oftentimes reckless Ruth from thugs and the new baseball commissioner proves even more dangerous when they come face to face with hidden power hitters who are playing for keeps Publisher s Note The Fraser and Cook Historical Mystery Series will be enjoyed by fans of American history and period mystery novels Free of graphic sex and with some mild profanity this series can be enjoyed by readers of all ages Within these pages he ushers us into the randy gritty wanton world of Babe Ruth just arrived in New York from Boston where he would power the Yankees hell the whole damn city for the next decade It is a world filled with molls and toughs crooked pols and bootleggers gamblers and righteous cops not to mention Stewart s beloved characters Speed Cook the wise head and former Negro Leaguer and Dr Jamie Fraser who have teamed up before in previous fictions The texture of the city is rendered with precision and believability When Stewart describes the new impediment at the corner of

42nd and Fifth Avenue the city's first traffic tower a reader can see the snarl of horse drawn wagons bicycles pedestrians and oh so many automobiles machines in the argot of the Twenties clogging the street Even the Babe had to stop for that The book is full of such knowing details like the Thomas splint an invention of World War I medicine that saves Jamie Fraser's daughter from losing her leg Larger than life Ruth is made palpable through a mosaic of small but unassailable images Ruth resplendent in a red satin dressing gown worn over a pair of green and white diamond pajamas earns a low whistle from Cook when he is admitted to the Babe's sumptuous apartment in the Ansonia Hotel It earns something more important from the reader a belief in narrative plausibility and in the characters that inhabit it So when Stewart writes of the Babe that getting angry at him was a waste of time like losing your temper at a thunderstorm you know he knows what he's talking about The book is grand Just like the Babe Jane Leavy Author of The Big Fella Babe Ruth and the World He Created The Fraser and Cook Historical Mystery Series The Lincoln Deception The Paris Deception The Babe Ruth Deception **The End** Harshdeep Singh Gill,25-07-13 He had found the girl of his dreams He was working on his first film Life was simply great He was on top of the world Then his world fell apart His love simply disappeared While meeting with the demands on his time to complete his film whose success could bring him all the fame he aspired for he started his hunt for his love Would he find her Would she be dead or alive Would he have the wherewithal to complete the film Read The End to find out
