Creating America Survey:

Creating America Jan Cohn, 2010-11-23 Before movies radio and television challenged the hegemony of the printed word the Saturday Evening Post was the preeminent vehicle of mass culture in the United States And to the extent that a mass medium can be the expression of a single individual this magazine with a peak circulation of almost three million copies a week was the expression of its editor George Horace Lorimer Cohn shows how Lorimer made the Post into a uniquely powerful magazine that both celebrated and helped form the values of the time *Building America's Health* United States. President's Commission on the Health Needs of the Nation, 1952 *Building America's Skilled Technical Workforce* National Academies of Sciences, Engineering, and Medicine, National Academy of Engineering, Division of Behavioral and Social Sciences and Education, Policy and Global Affairs, Board on Science Education, Board on Higher Education and Workforce, Board on Science, Technology, and Economic Policy, Committee on the Supply Chain for Middle-Skill Jobs: Education, Training, and Certification Pathways, 2017-05-04 Skilled technical occupations defined as occupations that require a high level of knowledge in a technical domain but do not require a bachelor's degree for entry are a key component of the U S economy In response to globalization and advances in science and technology American firms are demanding workers with greater proficiency in literacy and numeracy as well as strong interpersonal technical and problem solving skills However employer surveys and industry and government reports have raised concerns that the nation may not have an adequate supply of skilled technical workers to achieve its competitiveness and economic growth objectives In response to the broader need for policy information and advice Building America's Skilled Technical Workforce examines the coverage effectiveness flexibility and coordination of the policies and various programs that prepare Americans for skilled technical jobs This report provides action oriented recommendations for improving the American system of technical education training and certification **Building America's Health: America's health status, needs and resources** United States. President's Commission on the Health Needs of the Nation, 1952 *Building America's Health, a Report* United States.
