Creating Corporate Culture From Discord To Harmony:

Creating Corporate Culture Charles Hampden-Turner, 1992-01-01 As it examines how Anheuser Busch tapped the independent minded culture of the Teamsters and how Volvo taught itself to sell Swedish quality to French drivers this intriguing guide shows how managers can channel potential conflict redirect organizational myths and energize their companies

From Discord to Harmony LaVena Wilkin, Tony Belak, 2020-02-01 Conflicts happen and the workplace can be a cacophony for competing interests Consider that organizational culture is an ensemble of shared values beliefs assumptions perceptions and norms Organizations are not solos They are an accompaniment of individuals departments and divisions and each is competing for scarce resources Measure in a little power imbalance and organizational political posturing Then scale in the fact that today's managers are faced with diversity and cultural issues ranging from race and gender to individual ethnicity principles and philosophies about which employees are more vocal All this discord can strike a sharp note of dissonance However effective resolutions can change this discord to harmony Consider that music is not a single note Rather it is the silence between the notes that makes beautiful music and conflict is that silence Unfortunately conflict has a bad reputation and it is often labeled as disagreement fighting or arguing that leads to stress retaliation and resentment Some managers spend a disproportionate amount of their workdays dealing with conflicts They have not learned what causes conflicts or how to productively manage them As a result they often avoid or force outcomes causing discord fractured relationships loss of productivity and even lawsuits Learning to fine tune inevitable conflicts will help managers orchestrate a more harmonious workplace From Discord to Harmony Making the Workplace Hum is largely evidence based and many of the chapters contain cutting edge research by experts in their respective fields

Managing Cultural Diversity Heijden B. van der, 2011 Looks at the way teams work how people managed in organizations and how it can understand the impact of organizational and national cultures Includes a range of topics including team dynamics managing human resources and managing
