Creating The Marketing Experience New Strategies For Building Relationships With Your Target Market:

Marketing of Tourism Experiences Noel Scott, Eric Laws, Philipp Boksberger, 2013-09-13 This book provides a review of the current theory and practice of experiential tourism and how it is marketed Many societies today are characterised by widespread individual wealth of an order previously confined to the elite with the consequence that ownership of ordinary physical goods is no longer a distinguishing factor Instead people are now seeking the extraordinary with examples being bodies enhanced through surgery personal fitness trainers and in the case of leisure and tourism seeking unique and unusual places to visit and activities to undertake This trend manifests in the increasing consumption of services and the addition of experiential elements to physical goods by businesses aware of societal changes The trend is enhanced by rapidly changing technology and economic production methods providing new sectors of the world's population with access to the consumption experiences that are repeatedly featured in the media This is the experience economy characterised by a search by consumers for fantasies feelings and fun This book was based on a special issue of *Journal of Hospitality Marketing Management*

Creating the Marketing Experience Joe Marconi, 2005 Companies small and large are concerned about the increased difficulty in developing marketing vehicles that cut through the clutter and make a positive impact on sales resistant prospects To promote products effectively and optimize results marketers must use all of the tools at their disposal in an integrated plan In his latest book marketing and PR authority Joe Marconi helps companies create and maintain an effective marketing experience Noting that marketing productivity is on the decline due to saturation of sales messages increased customer indifference and easily copied competitive advantage this cutting edge book illustrates that people need to feel kinship with the product and the marketer Packed with case studies the book helps marketers create the contexts in which prospects can experience the brand on their own terms without an interrupting sales pitch Combining the best of publicity PR and marketing the book reflects the growth of integrated marketing communications and the decline of paid marketing and media
