Creating A Safe Campus

E. Scott Dunlap

Creating A Safe Campus:

Creating a Safe Campus David Nichols (Ed. D.),1997 This timely guide was written for campus officials at varying types and sizes of institutions to include public or private urban or rural four year or two year commuter or residential liberal arts or technical professional or undergraduate It will serve student affairs professionals campus judicial officers housing personnel campus police security officials faculty and university administrators in their efforts to create a safe campus It is the author s hope that his book will contribute to the recognition and acceptance of sound principles and practices that will enhance the quality of life on campuses across the nation **The Comprehensive Handbook of School Safety** E. Scott Dunlap,2016-04-19 In most schools you will probably see one if not all of the following Metal detectors to prevent handguns and other weapons from being brought onto school propertyStudents in standardized uniforms to prevent the appearance of gang affiliationsPolice officers patrolling the property to deter violent activity as well as respond to incidentsSuch evol

Creating and Negotiating Collaborative Spaces for Socially Just Anti-Bullying Interventions for K-12 Schools Azadeh F. Osanloo,Cindy Reed,Jonathan P. Schwartz,2016-11-01 Across the United States schools face the daunting issue of confronting the widespread effects of bullying which threaten the physical emotional and intellectual well being and development of youth Creating and Negotiating Collaborative Spaces for Socially Just Anti Bullying Interventions for K 12 Schools is a theoretically and empirically grounded edited volume that describes practical ways to address bullying at both systemic and individual levels Central to the scope of the book is a diversity focused approach to assessing and conceptualizing discrimination and bullying among marginalized youth such as LGBTQ mixed race gifted and talented and special needs populations Interspersed with concrete real life examples each chapter in the volume expands on the multiple dimensions of bullying as well as research backed anti bullying interventions The book advances previous literature by addressing contemporary issues in bullying Special topics include teacher to student bullying cyberbullying restorative justice practices and assessment of attitudes toward addressing bullying Violence in American Schools Delbert S. Elliott,Beatrix A. Hamburg,Kirk R. Williams,1998-10-13 This volume offers a strategy for the problem of youth violence

Public School Safety Joseph P. Hester,2015-10-02 Violence among youth in public schools is one of America s most pressing concerns Once thought to be something only inner city schools faced it has spread to suburban and rural schools There are no easy solutions to the problem but this book explores what administrators and other school officials can do to structure school safety programs to curb student violence An introduction provides information and statistics about the causes of school violence Chapter One considers government legislation and resulting initiatives to reduce youth violence and improve classroom discipline Chapter Two covers strategies for building a school safety program and offers recommended and tested approaches for creating safety initiatives Chapter Three provides additional information about school wide strategies and presents model programs that can be implemented at the elementary middle and high school
