Creation And The Second Coming:

Creation and the Second Coming Henry M. Morris, 1991 To understand the end you must understand the beginning God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return but before this event the Bible tells of a clear set of signs that will mark the final days The political upheaval in the Middle East the New Age movement and the call for a one world government were all foretold in God's Word The Bible's prophetic writers give key signs of the return of Christ and in this classic work from renowned author and creation scientist Dr Henry M Morris he reveals how each sign is an outgrowth of evolutionary humanism or pantheism **A Bible-Based**

Chronology from the Creation to the Second Advent of Jesus Christ Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we'll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God's word will be neglected and twisted for self-serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible-based chronology the author examines where we are on God's timeline and more importantly why it's not too late to benefit from God's incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It's been intentionally hidden but specific windows of time highlight the latter days Celebrate God's imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord's return overtake us as a thief in the night **A Second Look at the Second Coming** T. L.

Tatha Wiley, 2009-01-01 How do our current notions of the workings of the universe fit with our deepest convictions about its meaning and value From religion we grasp the world as created given gift From science we apprehend it as evolving in process changing How do we bring these apprehensions together Or can we Is our impulse to find the two complementary creation and evolution Or is it to find them contradictory creation or evolution The way in which we answer these questions carries personal and intellectual consequences It will constitute the first piece in a worldview within which we order our religious beliefs and scientific judgments from the Preface **The Collected Works of Witness Lee, 1993, volume 2**

The Redeemers Return A.W Pink, 2017-10-14 This book is designed mainly for those who are

beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord's Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing *The Organic Union in God's Relationship with Man* Witness Lee, 1993-10 **Jesus Shall Reign** Gary Tuck, 2021-10-14 Centuries before his birth in Bethlehem God announced through many prophets that he would send the Savior of the world After he came and purchased redemption and returned to heaven God announced that he would send him again Revelation is God's last word before Jesus comes again this time to seize the throne of Earth never ever to relinquish it In Revelation he has disclosed his determined plans for the end of this first creation history as we know it and the inauguration of his glorious eternal kingdom There is a palpable fever in the church today for cracking the code of Revelation This book argues Revelation is not as arcane as many think it to be It is understandable With a little help of the right kind the book is accessible It is largely a matter of recognizing the primary themes and the macro structure The discovery and integration of those are the particular groundbreaking contribution of this book With those the big picture message of Revelation opens like a flower Is your appetite whetted *Thy Kingdom Come* Harold L. Patterson, 2008-12 *Thy Kingdom Come* is a panoramic overview of the present reign of Jesus Christ at the right hand of God the Father and of the future consummation of that reign It presents three authoritative apostolic New Testament guidelines for the interpretation of the Old Testament prophecies It fairly examines the three main positions on the millennium and offers scriptural conclusions that incorporate elements of truth from all three Detailed expositions of the 110th Psalm and the book of Revelation are based on the apostolic guidelines Harold Patterson was born in Portland Oregon in 1920 In 1942 he was appointed as a Patrol Inspector in the Immigration Border Patrol and was assigned to work on the Mexican border in Southern California His career as a Border Patrolman was interrupted by military service during WW II During his military service he met and married Shirley Van Hamm in Denver Colorado In 1951 Harold and Shirley enrolled in BIOLA Bible College in Los Angeles After graduation they accepted teaching positions in Taholah Washington on the Quinault Indian Reservation They remained in Taholah for 17 years and served the Indian community in various ways during that time To upgrade his professional skills Harold earned the Bachelor of Education degree at Seattle Pacific University and the Master of Education degree at the University of Washington In 1972 Mr Patterson was appointed Associate Supervisor of Indian Education for the State of Washington and served in that capacity

for nine years He also served as a lay minister and Bible teacher in various churches In 1972 the Pattersons moved to a ranch at Brooklyn Washington Throughout the years Harold maintained a very close relationship with the Quinault people and in 2005 he was adopted as an enrolled member of the Quinault Indian Nation
