Creation A Witness To The Wonder Of God:

Creation Mark David Futato, 2000 When we are gripped by a true vision of God our lives take on true meaning This book opens our eyes to God's majestic nature as revealed in his marvelous creation *Saving God's Green Earth* Tri Robinson, 2006 The Creator has called us to care for life his creation Unfortunately many evangelical Christians have decided that value has too much political baggage attached to it and has forsaken caring for God's creation In this book pastor and author Tri Robinson clearly shows the biblical mandate for environmental stewardship and how doing so will change the world around us Through biblical examples everyday stories and practical know how Robinson delivers a powerful message that cannot be ignored His insights into how to move people from the idea of stewarding God's creation to actually participating will clearly show leaders in the evangelical Christian community how to raise this value Reading the Book of Nature in the Dutch Golden Age, 1575-1715, 2010-10-25 The conviction that Nature was God's second revelation played a crucial role in early modern Dutch culture This book offers a fascinating account on how Dutch intellectuals contemplated investigated represented and collected natural objects and how the notion of the Book of Nature was transformed Church Doctrine, Volume 3 Paul C. McGlasson, 2015-10-02 The present volume is the third in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The second volume discusses the doctrine of God The purpose of this third volume is to reaffirm the traditional church doctrine of Creation and yet to do so in a way that submits that tradition to the overruling overpowering authority of Scripture God the Creator according to the Bible owns the entire universe it does not belong to humankind We live in service of his covenant of grace but we do so along with our fellow creatures in a common vulnerability and finitude The volume addresses the question of how the church doctrine of Creation speaks to the manifold ecological crisis of our time Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord **In Awesome Wonder** E. June Roper, 2013-04 For through Him God created everything in heaven and on earth the seen and the unseen things including spiritual powers lords rulers and authorities God created the whole universe through Him and for Him Colossians 1:16 The Mighty Hand of God With one divine decision history began Existence became measurable Because God spoke out of nothing came light Out of this light came day Then in obedience to His command came the sky and earth And on this earth we call home His mighty hand went to work Canyons were carved deep into the face of the earth oceans were dug mountains erupted out of flat land stars were flung into the heavens and a new universe sparkled simply because Almighty God spoke and willed it so All we must do is look at the Grand Canyon's splendor and touch the gentle fragrant petals of a flower and we see His loving delicate work We but have to listen to thunder and see the

storm to stand in awe of His mighty power As you travel through each day you will encounter God's creation As you see the beauty around you allow each detail to remind you to bow down before Him and lift up your hands in praise We should daily express our appreciation for God's creations around us As parents we must encourage our children to see the beauty of His love Anonymous *Foundations for African Theological Ethics* James Nkansah-Obrempong, 2013-05-14 Having taught on ethics in Africa for almost a decade James Nkansah Obrempong presents a work that goes some way to addressing the dearth of materials on ethics that combine African social religious cultural and moral values with biblical and theological values Integrating these from African Western and biblical contexts Nkansah demonstrates how important they are for dealing with contemporary moral and social issues facing the church in Africa and African societies The book develops a theoretical biblical and theological foundation for Theological Ethics and uses this to address the broader issues that affect the socio political and economic life of African people and the church **Creation and Fall Temptation** Dietrich

Bonhoeffer, 1997-03-12 In this enlightening study renowned twentieth century theologian Dietrich Bonhoeffer offers a careful textual analysis of the story of creation approaching the biblical tale of Genesis with the eye of a philosopher and the soul of a true Christian Creation and Fall is Bonhoeffer's lucid brilliant analysis of the first three chapters of Genesis Here he discusses the seeming scientific naiveté behind the creation story God's love and goodness and humanity's creation its free will and its blessedness Bonhoeffer also tackles difficult questions that are raised from the first book of the Bible questions about the seemingly redundant second story of creation about God's own beginning about the source of the light that was created the first day The author then expounds upon Adam and Eve's fall from grace How could they creatures made in God's image have thought to oppose God so foully Where did the first evil come from How did humanity lose its right to live in paradise In Temptation Bonhoeffer questions how temptation appeared in the midst of Eden's innocence and he explores the very nature of evil Bonhoeffer explains that Jesus Christ helps us to understand and conquer physical and spiritual
