Creative Dislocation The Movement Of Grace:

Creative Dislocation Robert McAfee Brown, 1980 Discussion of a range of spiritual experiences that confirmed religious beliefs *Practical Psychology for Pastors, 2nd Edition* William R. Miller, Kathleen A. Jackson, 2010-05-01 This practical handbook takes a totally fresh approach to the work of pastoral counselors by drawing on recent research and developments in the health and behavioral sciences Thoroughly revised and updated this edition incorporates new or expanded coverage of topics such as a new chapter on Pastoral Self Care which offers advice on maintaining psychological health avoiding crisis and preventing personal and occupational burnout the integration of counseling with other pastoral roles and functions pastoral counseling ethics how to help people build personal motivation for change grief counseling and crisis intervention post traumatic stress physical and sexual abuse and personality disorders *The Living Church* ,1980-07 **Lift Up Your Voice Like a Trumpet** Michael B. Friedland, 2000-11-09 When the Supreme Court declared in 1954 that segregated public schools were unconstitutional the highest echelons of Protestant Catholic and Jewish religious organizations enthusiastically supported the ruling and black civil rights workers expected and actively sought the cooperation of their white religious cohorts Many white southern clergy however were outspoken in their defense of segregation and even those who supported integration were wary of risking their positions by urging parishioners to act on their avowed religious beliefs in a common humanity Those who did so found themselves abandoned by friends attacked by white supremacists and often driven from their communities Michael Friedland here offers a collective biography of several southern and nationally known white religious leaders who did step forward to join the major social protest movements of the mid twentieth century lending their support first to the civil rights movement and later to protests over American involvement in Vietnam Profiling such activists as William Sloane Coffin Jr Daniel and Philip Berrigan Abraham Joshua Heschel Eugene Carson Blake Robert McAfee Brown and Will D Campbell he reveals the passions and commitment behind their involvement in these protests and places their actions in the context of a burgeoning ecumenical movement *Redeeming Our Sacred Story* Mary C. Boys, 2013 Stories of Jesus passion and death lie at the core of Christian identity They offer an encounter with his experience of the human condition betrayals by those closest to him his own fear of death uncertainty about God's will and the endurance of terrible suffering and an ignominious death From generation to generation these stories have functioned in sacred and saving ways for Christians Yet misinterpretations of the passion narratives have rationalized hostility to and violence against Jews as Christ killers This sacrilegious telling cries out for redemption Redeeming Christianity's sacred story requires respect even awe for its power demands rigorous examination of the history between Jews and Christians and the ethical obligation to be altered by this history and entails pursuing solid biblical scholarship principles for reinterpreting troubling texts and incorporation into Christian spirituality Redeeming Our Sacred Story challenges us to forge more just relations between Jews and Christians It witnesses to the world that reconciliation is possible Back cover Reformed Spirituality Howard L.
