Altai Himalaya:

Altai--Himalaya Nicholas Roerich, 1929 **Altai-Himalaya** Nikolaj Konstantinovič Rerich, 1996 Nicholas Roerich's classic 1929 mystic travel book is back in print. He kept a diary of his travels by yak and camel through a remote region still largely unknown today. An intellectual as well as an adventurer, he chronicles his expedition through Sinkiang, Altai, Mongolia, and Tibet from 1924 to 1928 in twelve exciting chapters detailing his encounters along the parched byways of Central Asia. With a special interest in geographical mysteries and arcane and mystical arts, he searches for the hidden cities of Shambhala and Agartha. Roerich's original drawings as well as reproductions of his inspiring paintings illustrate this unique travel book.

Altai-Himalaya Nicholas Roerich, 2017-11-20. Excerpt from *Altai Himalaya: A Travel Diary*. Whether one believes this or not, it would be hard to imagine a better ambassador of good will from the West to the East for the reason that although he represents the summit of European accomplishment and culture, Roerich is deeply Oriental in his temperament, sympathies, and point of view. Reads like a detective thriller. It picks you up and never lets go of you. Jess Stearn, bestselling author of *Edgar Cayce: The Sleeping Prophet*. Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh, and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics proved they did not exist; then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It's one of the most revolutionary messages of our time.

Altai-Himalaya Nicholas K. Roerich, 1929 *The Telengits of Southern Siberia* Agnieszka Halemba, 2006-04-18. In a new and engaging study, Halemba explores the religion and world outlook of the Telengits of Altai. The book provides an account of the Altai, its peoples, clans, and political structures, focusing particularly on the Telengits whilst also considering the different elements of religious belief exhibited among these native peoples. Paradoxically, as the demand for national recognition grows among such people and with it the need for more formal state structures built around the nation, religion too begins to become formalized and loses its natural, all-pervasive character. With the Telengits, whose natural religion includes elements of Buddhism, this takes the form of a debate as to whether the state religion of their polity is to be

Buddhism or contrary to the character of shamanism a formal structured fixed shamanism This is a comprehensive anthropological account of the contemporary religious life of the Telengits holding important implications for wider debates in sociology and politics
