Alternate Generals III Harry Turtledove, 2005-04-01 Once Again Great Leaders Make Great History but Not History as We Know It History shows that leadership is crucial in war but there are other factors at work What if history were given a twist or two and great commanders on land and sea fought their greatest battles under different circumstances Suppose General Douglas MacArthur had been captured before he could escape from Manila and became a prisoner of war Suppose Joan of Arc had not been burned for heresy and had gone on to lead France to very different victories Suppose Genghis Khan had been a convert to Judaism and his horde had fought for a different cause than in our universe Turtledove and his colleagues turn the past upside down and inside out and the possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management

Alternate Generals II Harry Turtledove, 2002-07-01 LEADERSHIP MAKES ALL THE DIFFERENCE as history demonstrates But there are other factors at work Would Sir Francis Drake have as easily put paid to the Spanish Armada if a typhoon hadn't softened up the enemy first What if history were given a twist or two and great commanders on land and sea had more or fewer forces better or worse weather quicker or slower communications better supplies or none at all Just suppose for example General Billy Mitchell had not been court martialed for advocating air power and happened to be leading training flights of warplanes at Pearl Harbor in December 1941 As it happens to find out the answer to that question pick up the first book in the series Alternate Generals from Baen This new volume has even more fascinating speculations in alternate history science fiction turning history upside down and inside out as leaders who have made their mark on our history make different marks in a very different world The possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management

THE NEW NOVEL IN THE POPULAR VIDESSIONS SERIES Rhavas was a good holy and pious man and the cousin of the Avtokrator He would probably have become ecumenical patriarch of the Empire in the capital Videssos the city if his world had not suddenly and tragically fallen apart when the Empire of Videssos erupted into civil war and the Khamorth barbarians swarmed over the borders As the home he loved was brutally sacked Rhavas had to flee for his life and then make his way through lands swarming with fierce nomads and with soldiers loyal both to his cousin and to the rebel He may never see Videssos the city again let alone preside in its High Temple He has always followed Phos the god of light and goodness Videssos god and despised evil rival Skotos Those who fall off the Bridge of the Separator during judgment in the afterlife tumble down to Skotos ice forevermore But when evil seems to have swallowed the whole world what is a cleric who reverences logic as well as goodness supposed to believe It s a harder question than Rhavas wishes it were
