Am I Thin Enough Yet The Cult Of Thinness And The Commercialization Of Identity:

Am I Thin Enough Yet? Sharlene Nagy Hesse-Biber, 1996 Discusses eating disorders and importance of body image to women as indicator of worth

Am I Thin Enough Yet? Sharlene Hesse-Biber, 2023 Centred around a number of interviews with young women concerning their weight and body image this study connects women's eating patterns to images in popular culture and links eating disorders to contemporary social cultural and economic pressures on women to be thin

A Companion to Sport David L. Andrews, Ben Carrington, 2013-09-10 A Companion to Sport brings together writing by leading sports theorists and social and cultural thinkers to explore sport as a central element of contemporary culture Positions sport as a crucial subject for critical analysis as one of the most significant forms of popular culture Includes both well known social and cultural theorists whose work lends itself to an interrogation of sport and leading theorists of sport itself Offers a comprehensive examination of sport as a social and cultural practice and institution Explores sport in relation to modernity postcolonial theory gender violence race disability and politics

Women and Dieting Culture Kandi M. Stinson, 2001 Commercial weight loss organizations have come under attack from feminist scholars for perpetuating the very social values that cause women to obsess about their weight In Women and Dieting Culture sociologist Kandi Stinson asks how these values are transmitted and how the women who join such organizations actually think about their bodies and weight loss As part of her research Stinson fully participated in a national commercial weight loss organization as a paying member Her acute analysis and sensitive insider's portrayal vividly illustrate the central roles dieting and body image play in women's lives

Method Meets Art Patricia Leavy, 2013-04-01 This book presents the first comprehensive introduction to arts based research ABR practices which scholars in multiple disciplines are fruitfully using to reveal information and represent experiences that traditional methods cannot capture Each of the six major ABR genres narrative inquiry poetry music performance dance and visual art is covered in chapters that introduce key concepts and tools and present an exemplary research article by a leading ABR practitioner Patricia Leavy discusses the kinds of research questions these innovative approaches can address and offers practical guidance for applying them in all phases of a research project from design and data collection to analysis interpretation representation and evaluation Chapters include checklists to guide methodological decision making discussion questions and recommended print and online resources

Doing Nutrition Differently Allison Hayes-Conroy, 2016-05-13 Hegemonic nutrition is produced and proliferated by a wide variety of social institutions such as mainstream nutrition science clinical nutrition as well as those less classically linked such as life science agro food companies the media family education religion and the law The collective result is an approach to and practice of nutrition that alleges not only one single clear cut and consented upon set of rules for healthy eating but also tacit criteria for determining individual fault usually some combination of lack of education motivation and unwillingness to comply Offering a collection of critical interdisciplinary replies and responses to the matter of hegemonic nutrition this book presents

contributions from a wide variety of perspectives nutrition professionals and lay people academics and activists adults and youth indigenous Chicana o Latina o Environmentalist Feminist and more The critical commentary collectively asks for a different more attentive and more holistic practice of nutrition Most importantly this volume demonstrates how this new nutrition is actually already being performed in small ways across the American continent In doing so the volume empowers diverse knowledges histories and practices of nutrition that have been marginalized re casts the objectives of dietary intervention and most broadly attempts to revolutionize the way that nutrition is done *Gendered Bodies and Leisure*

Rachel Kraus,2016-07-15 With its roots in Middle Eastern and North African dance belly dance is a popular leisure activity in the West with women and some men of all ages and body types pursuing the activity for diverse reasons Drawing on empirical research fieldwork and interviews with participants this book investigates the social world and small group cultures of American belly dance examining the various ways in which people use leisure to construct the self and social relationships With attention to gender expectations body image sexuality community spiritual experiences and the process of identifying with a leisure activity this book shows how people engage in the same pursuit in a variety of ways It sheds light on the manner in which dancers strive to deal with the challenges presented by internal power struggles and legitimacy bids public beliefs narrow cultural ideals of beauty and often sexualized assumptions about their art A fascinating study of identity work and the reproduction and challenging of gender norms through a gendered leisure activity *Gendered Bodies and Leisure The Practice and Performance of American Belly Dance* will be of interest to students and scholars researching gender and sexuality the sociology of leisure the sociology of the body and interactionist thought *Culture, Bodies and the Sociology of Health* Elizabeth Ettorre,2016-05-13 *Culture Bodies and the Sociology of Health* explores the boundaries between bodies and society with special reference to uncovering the cultural components of health and the ways in which bodies are categorized according to a form of culturally embedded health orthodoxy Illustrating the importance of contextualizing the body as a cultural entity this book demonstrates that the spaces and boundaries between healthy bodies are becoming more diverse than ever before The volumes international team of scholars engage with a range of issues surrounding the cultural construction of the body as a site of health and illness As such it will be of interest not only to sociologists especially sociologists of health but also to scholars of media and communication studies as well as cultural theorists *Starving for Salvation* Michelle Mary Lelwica,2002 TABLE OF CONTENTS 1 Bodies of Evidence Bodies of Knowledge Contemporary Approaches Historical Perspectives New Directions 2 The Good the True and teh Beautiful Female Body Popular Icons of Womanhood and the Savation Myth of Female Slenderness 3 Losing Their Way to Salvation Papular Rituals of Womanhood and the Saving Promises of Culture Lite 4 Universes of Meaning Worlds of Pain The Struggles of Anorexic and Bulimic Girls and Women A Different Kind of Salvation Cultivating Alternative Senses Practices and Visions Notes Selected Bibliography Index *Looking Good* Margaret A. Lowe,2003-06-12 Winner of the Bridgewater State College Class of 1950 Distinguished

Faculty Research Award Toward the end of the nineteenth century as young women began entering college in greater numbers than ever before physicians and social critics charged that campus life posed grave hazards to the female constitution and women's reproductive health A girl could study and learn Dr Edward Clarke warned in his widely read 1873 book *Sex in Education* but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health For historian Margaret A Lowe this obsession offers one of the clearest expressions of the social and cultural meanings given to the female body between 1875 and 1930 At the same time the college girl was a novelty that tested new ideas about feminine beauty sexuality and athleticism In *Looking Good* Lowe examines the ways in which college women at three quite different institutions Cornell University Smith College and Spelman College regarded their own bodies in this period Contrasting white and black students single sex and coeducational schools secular and religious environments and Northern and Southern attitudes Lowe draws on student diaries letters and publications institutional records and accounts in the popular press to examine the process by which new twentieth century ideals of the female body took hold in America **Body**

Problems Ben Agger, 2012-08-06 This book addresses the relationship between the body and society in a fast food society Agger focuses on issues of food exercise work dieting and eating disorders fashion bariatric and cosmetic surgery and health He addresses the dilemma that we have ample access to abundant calories but lead lifestyles and have jobs that for the most part do not enable us to expend those calories He proposes solutions both individual and structural that involve re-orienting ourselves to exercise as play The book can be used in introductory sociology social problems work sociology of sport gender health and illness The goal of this new unique Series is to offer readable teachable thinking frames on today's social problems and social issues by leading scholars all in short 60 page or shorter formats and available for view on <http://routledge.customgateway.com/routledge/social/issues.html> For instructors teaching a wide range of courses in the social sciences the Routledge Social Issues Collection now offers the best of both worlds originally written short texts that provide overviews to important social issues as well as teachable excerpts from larger works previously published by Routledge and other presses **Speeding Up Fast Capitalism** Ben Agger, 2015-12-22 In his 1989 book *Fast Capitalism* Ben Agger presented a framework for understanding late 20th century social problems *Speeding Up Fast Capitalism* a sequel to his earlier book assesses social changes since the end of the 1980s brought about by information technologies like the Internet which have quickened the pace of everyday life In *Speeding Up Fast Capitalism* Agger assesses the impact of the Internet on consciousness communication culture and community and evaluates the prospects of democratic social change Where the earlier book was largely theoretical *Speeding Up* applies critical theory to specific topics such as Internet culture work families childhood schooling food the body and fitness Although indebted to *Fast Capitalism* the sequel appeals to an

audience wider than theorists including empirical sociologists social scientists and scholars in cultural disciplines

Running on Empty Carrie Arnold,2004-08 An autobiographical account of a young woman s struggle with anorexia and obsessive compulsive disorder Ugly as Sin Toni Raiten-D'Antonio,2010-09 Part memoir part social criticism and part self help guide Ugly as Sin openly explores the taboo subject of ugliness and how it affects every one in a direct and profound way The author helps readers find inspiration hope peace and self acceptance no matter what their thighs or hair look like

The Beauty Bias Deborah L. Rhode,2010-05-06 It hurts to be beautiful has been a cliché for centuries What has been far less appreciated is how much it hurts not to be beautiful *The Beauty Bias* explores our cultural preoccupation with attractiveness the costs it imposes and the responses it demands Beauty may be only skin deep but the damages associated with its absence go much deeper Unattractive individuals are less likely to be hired and promoted and are assumed less likely to have desirable traits such as goodness kindness and honesty Three quarters of women consider appearance important to their self image and over a third rank it as the most important factor Although appearance can be a significant source of pleasure its price can also be excessive not only in time and money but also in physical and psychological health Our annual global investment in appearance totals close to 200 billion Many individuals experience stigma discrimination and related difficulties such as eating disorders depression and risky dieting and cosmetic procedures Women bear a vastly disproportionate share of these costs in part because they face standards more exacting than those for men and pay greater penalties for falling short *The Beauty Bias* explores the social biological market and media forces that have contributed to appearance related problems as well as feminism s difficulties in confronting them The book also reviews why it matters Appearance related bias infringes fundamental rights compromises merit principles reinforces debilitating stereotypes and compounds the disadvantages of race class and gender Yet only one state and a half dozen localities explicitly prohibit such discrimination *The Beauty Bias* provides the first systematic survey of how appearance laws work in practice and a compelling argument for extending their reach The book offers case histories of invidious discrimination and a plausible legal and political strategy for addressing them Our prejudices run deep but we can do far more to promote realistic and healthy images of attractiveness and to reduce the price of their pursuit Corporeality, Medical Technologies and Contemporary Culture Francisco Ortega,2013-12-17 This book examines the confusions and contradictions that manifest in prevalent attitudes towards the body as well as in related bodily practices The body is simultaneously our reference for the certainties of nature and the locus of a desire for transformation and reinvention The body is at the same time worshipped and despised an object of desire and of design Francisco Ortega analyses how the body has become both a screen for the projection of our ideas and imaginings about ourselves and conversely an object of suspicion anxiety and discomfort Addressing practices of corporeal ascesis such as bodybuilding and dietetics medical technologies and radical anatomical modifications Ortega documents the ambiguous legacy of a western theoretical tradition that has always despised the body Utilising a theoretical

framework that is mainly informed by the phenomenology of the body feminist theory disability studies and the thought of Michel Foucault Corporeality Medical Technologies and Contemporary Culture address several ethical and psychological issues associated with the experience and perception of the body in our cultural landscape Drawing on these diverse areas of philosophical and analytical work this book will interest those researching Law Medicine and Sociology

Collaborative Therapy Harlene Anderson, Diane Gehart, 2012-10-12 Collaborative Therapy Relationships and Conversations That Make a Difference provides in depth accounts of the everyday practice of postmodern collaborative therapy vibrantly illustrating how dialogic conversation can transform lives relationships and entire communities Pioneers and leading professionals from diverse disciplines contexts and cultures describe in detail what they do in their therapy and training practices including their work with psychosis incarceration aging domestic violence eating disorders education and groups In addition to the therapeutic applications the book demonstrates the usefulness of a postmodern collaborative approach to the domains of education research and organizations

The Challenge of Affluence Avner Offer, 2006-03-09 Since the 1940s Americans and Britons have experienced rising material abundance but also a range of social and personal disorders including family breakdown obesity and addiction Drawing on the latest cognitive research Avner Offer presents a detailed and reasoned critique of the modern consumer society

Interpreting Weight Jeffery Sobal Donna Maurer, Sociologists psychologists and nutritionists explore how people construct fatness and thinness They examine different strategies used to interpret body weight such as negotiating weight identities reinterpreting weight and becoming involved in weight related organizations
