*Through Lover's Lane* Elizabeth R. Epperly, 2007-01-01 It might surprise some to know that internationally beloved Canadian writer L M Montgomery 1874-1942 author of the *Anne of Green Gables* series among other novels and hundreds of short stories and poems also fuelled a passion for photography For forty years Montgomery photographed her favourite places and people using many of these photographs to illustrate the hand written journals she left as a record of her life Artistically inclined and possessing a strong visual memory Montgomery created

scenes and settings in her fiction that are closely linked to the carefully composed shapes in her photographs Elizabeth Rollins Epperly's *Through Lover's Lane* is the first book to examine Montgomery's photography in any depth it is also the first study to connect Montgomery's photography with her fiction and other writing Drawing on the work of Montgomery scholars as well as theorists such as Susan Sontag Gaston Bachelard Roland Barthes John Berger and George Lakoff Epperly connects Montgomery's practice of photography with the writer's metaphors for home and belonging Epperly examines thirty five of Montgomery's photographs demonstrating how they figure in the novelist's life and fiction She argues that the shapes in Montgomery's favourite place in nature *Lover's Lane* in Cavendish P E I organized Montgomery's other photographs underpinned her colourful descriptions and grounded her aesthetics *Through Lover's Lane* suggests how an artist creates metaphors that resonate within a single work echo across a lifetime of writing and photography and inspire readers and viewers across cultures and time

Hammett, 2016-04-15 Beautiful postcards capturing old Barnstable and its surrounding areas in all its glory     *American Woman Suffrage Postcards* Kenneth Florey, 2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards

in the context of the movement itself and as part of the general history of postcards      **Postcards from China** Sandra Slavin,2003-11 This book is a compilation of humorous emails written to family and friends during the author's two years living in China They moved to China in August 2000 hoping to escape the hectic lifestyle of living in San Francisco and allow their adopted Chinese daughter an opportunity to learn the language and culture of her birth country This book chronicles their life and provides an intimate look into what it is like to live in China as an American family It reveals how it affected the building of an identity for their Chinese American daughter The author writes about the numerous friends they made among the Chinese people from Glenn their housekeeper to the couple who sold tofu in the market She describes shopping at the local market ordering in local restaurants and describes how the local Chinese live and work This book describes their life full of curiosities and adventures Learn why Chinese men grow long their fifth finger nail how to avoid disaster when traveling to Mongolia how to cross the street and the difficulties in purchasing and getting an egg from market to home After reading the book you may be inspired to try your own adventure      Early Views Kristen Griffin,2000 This is a collection of reproduced photographs and postcards highlighting the history of the Sitka National Historical Park as well as the town and people of Sitka It is presented in the form of a turn of the century scrapbook      *Picture Postcards* Marian Klamkin,1974

**Epistolarity in a Post-Letter World** Sindija Franzetti,2024-11-18 The study intervenes in a field hitherto dominated by formal and historical analyses of the literary letter Across the five case studies the method of reading epistolarity as a motif is applied to a selection of American novels published after 1990 Nick Bantock's Griffin Lish and Dunn test the limitations of letters for conveying individual experience to a distant other Robinson and Erdrich envision epistolarity as an address to a future Exploring the employment of epistolarity as a motif the study offers an interpretation of the messages these fictions extend for readers in a post letter world Communication technologies and practices may change but epistolarity as a motif a reprise of a scene of encounter that depends on keeping a distance between addresser and addressee remains a deeply compelling site of inquiry in twenty first century literature      **Old-Fashioned Valentine Postcards** Judith
