**The Church** Donald K. McKim, 2017-02-14 This book considers basics of Christian faith about the church conveyed through the perspectives of the Reformed tradition particularly in its Presbyterian expression from Donald McKim s own context in the Presbyterian Church U S A The six chapters deal with ecclesiology understandings of the church The book begins by considering the call to follow Jesus in the church the beginning of the Christian journey The Reformation slogan the Church Reformed and Always Being Reformed according to the Word of God orients us to the nature of the church and God s ongoing work of Word and Spirit within the community of faith Three of the chapters discuss phrases from the Apostles Creed These are I believe in the Holy Spirit the holy catholic church and the communion of saints The final chapter called Imagine the Church provides theological resources for helping

us recognize and experience the God of superabundance who is at work in the world in the church and in our own lives Eph 3 20 Together these essays provide theological understandings of the church while also exploring the meanings and implications of the church for Christian life and experience today Through Middle Eastern Eyes Michael Parker, 2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar As a missionary first in Egypt and later in Lebanon Israel Palestine and Cyprus he experienced firsthand the life of traditional Middle Eastern villagers which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century Consequently he was able to reinterpret Jesus's parables and life experiences through this traditional culture In a remarkable series of acclaimed books which include *The Cross and the Prodigal* *Jacob and the Prodigal* and *Jesus through Middle Eastern Eyes* Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers This biography explains the origins of Bailey's key ideas and recounts his often fraught missionary career one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt the perils of life in Beirut during the Lebanese Civil War 1975 1990 and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament

**The Presbyterian Pendulum** Mark J. Englund-Krieger, 2010-02-01 *The Presbyterian Pendulum* is a study in mainline Protestant social ethics with a focus on the Presbyterian Church USA This book is written for the church with the hope that it will provide theological foundation and spiritual encouragement for our efforts to find unity despite the diversity of convictions and perspectives in our midst This is a historical study of the significant social and political issues to which the church responded throughout the twentieth century With a foundation in solid historical research this book offers the compelling thesis that the Presbyterian Church is at its best when the wild diversity of worldviews theological perspectives and convictions are encouraged Even more the book offers the spiritually rich thesis that it is in this wild diversity not despite of it that the providence of God is seen and known What is unique and compelling about this study is the guiding metaphor of the pendulum swinging The vast difference of opinion in the church around social issues has historically always been true is necessary today and itself points to a deeper truth about God's sustaining providence The church must discern and hold onto that deeper truth We must let the pendulum swing It is my hope that this book will be an encouragement for the church even as we continue to be mired in deep conflict

**Confessing the Faith Today** Allan Janssen, 2016-11-30 With the understanding that confession is a witness to the gospel *Confessing the Faith Today* investigates how a sixteenth century Reformation confession the Belgic Confession can assist contemporary Christians testify to the truth of God's gracious turn toward creation and do so in the context of the twenty first century's competing claims A close examination of the internal coherence of the Belgic Confession along with an exploration of how that confession might engage contemporary life offers fresh insight into how Christians might articulate what is at stake in the gospel Janssen encourages the church to enter a

conversation with the forebears of the faith acknowledging the historical nature of not only the confession but of God's involvement in all creation

**The Christ's Faith** Michael Allen, 2011-11-03 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

**Repentance and Forgiveness** Matthew E. Burdette, Victor Lee Austin, 2020-09-24 Reconciliation is at the heart of the Christian faith It is what God accomplishes by the incarnation of his Son by Jesus' cross resurrection and exaltation that all people be drawn to God in Christ and in being so drawn drawn into fellowship with one another The good news of reconciliation is therefore also a call to repent and to receive forgiveness and then concomitantly to forgive The present volume endeavors to reexamine these most fundamental Christian claims These essays which were first presented at the 2017 annual Pro Ecclesia conference return to the biblical sources to help us understand reconciliation afresh The authors raise questions about repentance and forgiveness from various perspectives Jewish Roman Catholic Orthodox and Protestant They also consider our present day context what has been called the technoculture as well as the practice of repentance and forgiveness With contributions by

Stephen Westerholm Ellen T Charry Dominic Langevin O P Peter C Bouteneff Brent Waters John P Burgess     **One Church in Christ** Troy J. Onsager, 2023-09-25 This book is devoted to understanding the confessional foundations of church unity in the earlier theology of Karl Barth This book follows Barth s academic and ecclesiastical career from the years 1921 to 1938 as he moves from a nonconfessional pastor in Switzerland prior to his first teaching post in Gottingen to articulating in his first volume of Church Dogmatics the critical and essential authority of the church s confession in its public witness at the start of his final teaching post in Basel During these years each academic placement and public ecclesiastical assignment is crucial for understanding the development of Barth s confessional theology in order to make sense of his mature dogmatic understanding of the authority of the church s confession in CD I 2     **The Oxford Handbook of Reformed Theology** Michael Allen, Scott R. Swain, 2020 A comprehensive study of Reformed theology spanning historical contexts to contemporary discussions Contributors provide a range of theological essays to assess representative texts of the Reformed tradition Explores the intricate ties between patristic medieval and modern thought in Reformed theology Accessible authoritative and clearly organized Book jacket     **Presbyterian Faith That Lives Today** Donald K. McKim, 2014-05-27 In this insightful book Donald K McKim explores the basic tenets of Presbyterian theology and doctrine from their beginnings to their meaning for the church today Throughout McKim emphasizes the how Presbyterian history can inform current and future challenges Without prescribing solutions to contemporary challenges McKim s six brief chapters provide the foundation for broadening and strengthening a Presbyterian faith the lives today Each chapter ends with suggestions for further study     **One Baptism** Susan K. Wood, 2009-07-01 Most Christians would say that baptism is the one sacrament Christians of all denominations share that it is the source of ecumenical unity among all Christian churches But how true is that Is there really one baptism as we profess in the Nicene Creed If we disagree about what baptism does can we really say that baptism unites us To address this central question Susan Wood brings together the history and theology of baptism systematic sacramental and liturgical focusing especially on the divergent paths taken in the understanding of the sacrament since the Reformation Founded not only in her study of theology but also in her years of participation in ecumenical dialogues her perspective will illuminate this problem for readers and point the way toward deeper understanding

Apocalyptic and the Future of Theology Joshua B. Davis, Douglas Harink, 2012-11-07 Ernst Kasemann famously claimed that apocalyptic is the mother of Christian theology J Louis Martyn s radical interpretation of the overarching significance of apocalyptic in Paul s theology has pushed Kasemann s claim further and deeper Still despite the recognition that apocalyptic is at the core of New Testament and Pauline theology modern theology has often dismissed domesticated or demythologized early Christian apocalyptic A renewed interest in taking apocalyptic seriously is one of the most exciting developments in recent theology The essays in this volume taking their point of departure from the work of Martyn and Kasemann wrestle critically with the promise and possible peril of the apocalyptic transformation of Christian theology With original

contributions from established scholars including Beverly Gaventa Stanley Hauerwas Robert Jenson Walter Lowe Joseph Mangina Christopher Morse and Fleming Rutledge as well as younger voices this volume makes a substantial contribution to the discussion of apocalyptic and theology today A unique feature of the book is a personal reflection on Ernst Kasemann by J Louis Martyn himself

The Crucifixion Fleming Rutledge, 2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model

**Living Belief** Douglas F. Ottati, 2022-06-07 A leading theologian's concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In Living Belief he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord's Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable Living Belief makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity
