Great Grandmother
Elizabeth (Scheurich) Branham

Cindy Dittus, Elizabeth
Branham, and Mary Moffet

no.1495

My Great Grandmother Elizabeth Scheurich was born on September 24, 1871 in Peoria, Illinois, her father, Adam, was 23, and her mother, Marguerite, was 20. She married Thomas Taplin Branham on December 24, 1905 in Joplin, Missouri.

They had seven children, including Agnes who was my grandmother on my mother's side. Great Grandma Branham died on June 4, 1964, in Joplin, Missouri at the age of 92, and was buried there. I traced her Great Grandfather John Adam Scheurich back to Niedersberg, Germany.

I asked my mom what she remembered about her Grandmother. She has fond memories of spending the night with her, walking to the store and playing. She said her Grandmother was crazy about her. She also remembers that she was big and soft. It's funny what we remember as kids.

I asked her about her Grandfather. She said all she knows is that one day he moved away to California. In doing some research online it appears that he was living with his son and wife in California and he lived there until his death.

Zwicker,2023-08-09 Kabuki s Nineteenth Century examines the theater culture of nineteenth century Japan from the perspective of the history and materiality of the book the nature of reception and the making and making use of images The aim of this book is to rediscover the kabuki theater of nineteenth century Japan by shifting our critical focus from performance to print and the public sphere and thus embedding theater history within the larger world of printed matter by means of which theatricality circulated beyond the stage and through which performance was most often consumed Fundamental to Kabuki s Nineteenth Century is a reconsideration of the nature of the printed archive itself The book argues that the archive of printed material related to the theater in nineteenth century Japan playbills actor critiques theater guides maps actor prints calendars and broadsheets is something more than and more complicated than a set of materials out of

which we might reconstitute the always transient event of performance Rather the archive constitutes an object of inquiry unto itself an object that reveals as much about the interrelations between and among various printed media and genres circulating beyond the confines of the theater as it does about what happened on stage Even as we use these materials to examine the history of performance a series of different questions might be asked what can the production consumption and collecting of this enormous body of printed matter tell us about such problems as the role of print in everyday life the construction of specialized knowledges and the manner in which a culture archives itself Adventures in Journaling Joanna Campbell Slan, 2002 Shows how to use PageFlippers a dynamic way to add journaling on scrapbook pages **Save As...**
