**Does It Really Say That in the Bible?** Katie Hoyt McNabb, 2014-07-30 What if there was a book that dealt with humanity's most pressing questions What is the meaning of life Is there a God and what does the Deity think about us The good news is that there is such a book the bad news is that it's the Bible How is that bad news The Bible is just not that easy to read Yet what if you had help Does It Really Say That in the Bible will teach you how to explore the Bible and find out for yourself what it says

**Did God Really Say** Heino Weidmann, 2022-01-20 Jesus Christ is calling you personally to walk on water with Him If you are already doing it you will know why If you are not doing it yet you will know how If you think you can't let us convince you otherwise In this book you'll get a solid foundation from the Bible What has God promised every Christian And what has he not said And how can what he has said become a reality in your life In any case you will study the Word of God intensively as never before To sum up the message of these pages in one sentence is this Jesus Christ saves from the power of sin Doesn't every serious Christian believe that No hardly any serious Christian believes that In practice we believe Jesus saves us from the guilt of sin And mostly from greater sins But not from lesser sins And not so that we can truly and fundamentally have victory over sin Behind this is a theological system of unbelief inspired by the words of the serpent Did God really say Instead of believing our heart and the Scriptures in our theology we place ourselves outside of Christ in prison walls of unbelief on which hopelessness stands as a sentry watching that no one escapes from the dungeon of eternal defeat before sin And the fortress of evil thus fortified can only be broken open and destroyed by the explosive power of the united words of God Can we not live liberated through Jesus Christ to the glory of the Father without having to weep every day over 1000 failures Do we not have a Savior who contends and conquers for us Let us set out for a Reformation

misha'al ibn Abdullah Al-Kadhi, **What the Bible Really Says?** Thomas A. Howe, 2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page Anyone can publish his views regardless of the level of competency in the original languages his level of hermeneutic ability or his understanding of history or theology In his book The Apocalypse Code Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text It would be extremely helpful for someone to equip readers to be able to

make their way through the maze of views What the Bible Really Says is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy This book is not an effort to promote one eschatological perspective over another Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims

**The End of the World as You Know It** Matthew L. Halsted, 2024-02-07 Thinking about the end times isn't supposed to terrify you Christians rightly turn to the Bible to make sense of our times But so often we get the wrong answers because we ask the wrong questions In *The End of the World as You Know It* Matthew L Halsted challenges common end times assumptions and points us back to Scripture Each chapter reevaluates a popular question in light of the Bible's own concerns Will Christians be raptured What is the mark of the beast When we let Scripture direct our questions we get better and more hopeful answers The Bible was written for us but not to us We must bridge the gap between Scripture's ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God's word brings peace not fear and confusion *The Eclectic Magazine*, 1867
