Chartering And Charter Parties:

Chartering and Charter Parties Henry Bell Cooley,1947

Charterparties Barış Soyer,Andrew Tettenborn,2017-12-06

This book consists of edited versions of the papers delivered at the Institute of International Shipping and Trade Law's 12th International Colloquium at Swansea Law School in September 2016. Featuring a team of contributors at the top of their profession both in practice and academia, these papers have been carefully coordinated so as to ensure to give the reader a first class insight into the issues surrounding charterparties. The book is set out in three parts. Part I offers a detailed and critical analysis of issues of contemporary importance concerning time charters. Part 2 carries out a similar analysis with regard to voyage charterparties. Part 3 deliberates issues common to both type of charterparties. Offering critical analysis of contemporary legal issues on charterparty contracts, this book considers recent legal and practical developments and is therefore essential reading for both professional and academic readers with an interest in charterparties.

Time Charters

Michael Wilford,1982. Time Charters is recognised as the most comprehensive reference work in its field. The book has been updated to include new developments that affect the law and practice of time charters. Maintaining the clear and logical format adopted in the previous editions, Time Charters provides access to the case law to enable users to find easily and quickly leading authorities on any particular question that might arise. There are also separate sections dealing with the Baltime Form and the STB Form of Tanker Time Charter.

Chartering and Charter Parties Henry Bell Cooley,1974

Voyage Charters Julian Cooke,Tim Young,Michael Ashcroft,Andrew Taylor,John Kimball,David Martowski,LeRoy

Lambert,Michael Sturley,2014-09-19. Widely regarded as the leading authority on voyage charters, this book is the most comprehensive and intellectually rigorous analysis of the area. It is regularly cited in court and by arbitrators and is the go-to guide for drafting and disputing charterparty contracts. Voyage Charters provides the reader with a clause-by-clause analysis of the two major charterparty forms: the Gencon standard charterparty contract and the Asbatankvoy form. It also delivers thorough treatment of COGSA and the Hague and Hague-Visby Rules, a comparative analysis of English and United States law, and a detailed section on arbitration awards. Key features of the fourth edition: The only textbook to deal specifically with this key area of maritime law. Written by an impressive team of highly regarded maritime authorities from both sides of the Atlantic. Contains a wealth of updated English and American case law and arbitrations, as well as addressing broader issues such as the Rome II Regulation Convention regarding the conflict of laws. Practical user-friendly guide which is accessible not only to lawyers but also shipping professionals. A new detailed United States law section on COGSA. This book is an indispensable practical guide for both contentious and non-contentious shipping law practitioners and postgraduate students studying this area of law.
