Creativity Eitan P. Fishbane, Elisha Russ-Fishbane, 2024-02-20 Jewish Culture and Creativity honors the wide ranging scholarship of Prof Michael Fishbane with contributions of his students on subjects that cover the gamut of Jewish studies from biblical and rabbinic literature to medieval and modern Jewish culture and concluding with case studies of the creative application of Prof Fishbane's thought and theology in contemporary Jewish life The innovative scholarship represented in this volume offers critical new perspectives from antiquity to contemporary Judaism and will serve as a stimulus for new directions in and beyond the field of Jewish studies Are You Not a Man of God? Tova Hartman. Charlie Buckholtz, 2014-04 Are You Not a Man of God challenges the accepted readings of several iconic supporting characters from canonical stories of Jewish tradition These characters have been appropriated throughout history to represent and reinforce central cultural values the binding of Isaac and the religious value of sacrificing relationship for a higher purpose the biblical Hannah appropriated by the rabbis as an archetype of the spirit and practice of prayer the Talmudic Beruriah and the significance of women s learning and knowledge and the struggle for intellectual autonomy of the rabbis of the Talmudic story known by its tag line It is not in heaven Tova Hartman and Charlie Buckholtz make use of religious psychological philosophical and literary perspectives to bring these characters to life in their multiple incarnations examining the varied symbolic uses to which they have been put and their cultural impact These are all texts that have been studied widely and characters that are well known This study shows however that the dominant interpretations have served to mask darker more insightful and ultimately more critical dimensions of these important figures Hartman and Buckholtz discover muted voices of personal betrayal and criticism that resonate as damning social critiques of the rabbis themselves These critiques often highlight the ways in which cultural authorities use and abuse their power and the implications of these systemic moral failings for their legitimacy as communal leaders In these voices of social criticism the rabbis evince an awareness of their own vulnerability to such abuses and failings as well as their hurtful marginalizing effects on members of less powerful social groups **Settings of Silver** Stephen M.
