The Book Lover's Southwest Stanley Vestal, 2003-01-01 **The Book Lover's Southwest. A Guide to Good Reading**
Walter Stanley CAMPBELL, 1955 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1955
A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance *A Texas Ranger* N. A. Jennings, 1997-03-01 A Young Jennings came to Texas in 1874 to join a special task force call the Texas Rangers *The Invention of Native American Literature* Robert Dale Parker, 2018-08-06 In an original widely researched and accessibly written book Robert Dale Parker helps redefine the study of Native American literature by focusing on issues of gender and literary form Among the writers Parker highlights are Thomas King John Joseph Mathews D Arcy McNickle Leslie Marmon Silko and Ray A Young Bear some of whom have previously received little scholarly attention Parker proposes a new history of Native American literature by reinterpreting its concerns with poetry orality and Indian notions of authority He also addresses representations of Indian masculinity uncovering Native literature s recurring fascination with restless young men who have nothing to do or who suspect or feel pressured to believe that they have nothing to do The Invention of Native American Literature reads Native writing through a wide variety of shifting historical contexts In its commitment to historicizing Native writing and identity Parker s work parallels developments in scholarship on other minority literatures and is sure to provoke controversy Tom Horn in Life and Legend Larry D. Ball, 2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860 1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn s career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U S soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn s guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn s own autobiography As a teller of tall tales Horn

burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn s reputation Ball s study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn

The Arizona Quarterly ,1959 *The Political Arrays of American Indian Literary History* James H. Cox,2019-09-17 Bringing fresh insight to a century of writing by Native Americans The Political Arrays of American Indian Literary History challenges conventional views of the past one hundred years of Native American writing bringing Native American Renaissance and post Renaissance writers into conversation with their predecessors Addressing the political positions such writers have adopted explored and debated in their work James H Cox counters what he considers a flattening of the politics of American Indian literary expression and sets forth a new method of reading Native literature in a vexingly politicized context Examining both canonical and lesser known writers Cox proposes that scholars approach these texts as political arrays confounding but also generative collisions of conservative moderate and progressive ideas that together constitute the rich political landscape of American Indian literary history Reviewing a broad range of genres including journalism short fiction drama screenplays personal letters and detective fiction by Lynn Riggs Will Rogers Sherman Alexie Thomas King Leslie Marmon Silko Louise Erdrich Winona LaDuke Carole laFavor and N Scott Momaday he demonstrates that Native texts resist efforts to be read as advocating a particular set of politics Meticulously researched The Political Arrays of American Indian Literary History represents a compelling case for reconceptualizing the Native American Renaissance as a literary historical constellation By focusing on post 1968 Native writers and texts argues Cox critics have often missed how earlier writers were similarly entangled hopeful frustrated contradictory and unpredictable in their political engagements

Relación Cleve Hallenbeck,1987 An interesting and well researched account of the travels of Fray Marcos de Niza in New Spain as he was sent by Esteban to investigate the Seven Cities of Cibola

Lynn Riggs: The Indigenous Plays Lynn Riggs,2024-03-28 Lynn Riggs The Indigenous Plays bundles critically edited texts of three thematically allied plays with an extensive primary secondary and textual apparatus The Cherokee Night 1932 comprising seven asynchronous scenes set

between 1895 and 1931 is Riggs's most experimental play. Its Cherokee characters inhabit a history of dispossession and violence including the dissolution of the Cherokee Nation with Oklahoma statehood in 1907. Their daily survival constitutes the apex of resistance. Not so for the Indigenes of *The Year of Pilar* 1938, the most radical American Indian text prior to the Native American renaissance that began in the late 1960s. Here Yucatecan Mayans take a government program of land reform as an opportunity to reclaim their homeland and punish settler colonialists for centuries of enslavement, torture, and sexual violence. Riggs returns to Indian Territory in *The Cream in the Well* 1941, set on the eve of Oklahoma statehood. The Cherokee Sawters family responds to the onset of statehood by lamenting lost opportunities and fretting about an uncertain future.

The Journey of Fray Marcos de Niza Cleve Hallenbeck, 1987 **New Mexico Historical Review** Lansing
Bartlett Bloom, Paul A. F. Walter, 1967 **Mexican Americans** Lois B. Jordan, 1973 *The Westerners handbook*
Westerners. Chicago Corral, 1955 *American Literature* Jay Broadus Hubbell, Clarence Gohdes, 1955. Since its inception, *American Literature* has been regarded as the preeminent periodical in its field. Written by established scholars as well as the newest and brightest young critics, AL's thought-provoking essays cover a broad spectrum of periods and genres and employ a wide range of methodological and theoretical approaches, the best in American literary criticism. Each issue of *American Literature* contains articles covering the works of several American authors from colonial to contemporary as well as an extensive book review section, a Brief Mention section offering citations of new editions and reprints, collections, anthologies, and other professional books, and an Announcements section that keeps readers up to date on prizes, competitions, conferences, grants, and publishing opportunities.
