## **Book Of Revelation Unlocking The Future:**

**A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation  
Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

**The Seven Seals of the Apocalypse**, 2009-04-01 Filling today's religious book market are Apocalypse commentaries teaching that the seven seals of Revelation 5:8 describe tragedies that are to take place in the last days Medieval Europeans on the other hand thought very differently about the seven seals Some used the seven seals for catechetical purposes and associated them with seven major events in the life of Christ or seven gifts of the Holy Spirit Other medieval writers taught that the seven seals contained symbols about life in the church between the first and second comings of Christ Still others viewed the seals as milestones in the grand outline of salvation history This book illustrates this vastness of medieval interpretive tradition on the seven seals It includes fifteen texts from the sixth through the fifteenth centuries which have been organized under three headings those illustrating christological interpretations of the seven seals those proposing ecclesiastical interpretations and those giving historical interpretations

[Book of Revelation](#) Ed Hindson, 2020-09-14 WILL THE HUMAN RACE SURVIVE IN THE FUTURE EVERYONE IS CURIOUS ABOUT THE FUTURE There is something in human nature that wants to know what is going to happen next God speaks to the need in our lives by revealing the future before it happens That process is called a prophecy of future events This book is a study of the prophecies in the book of Revelation The book of Revelation is the grand and noble conclusion to the Bible It captivates our attention stirs our imagination and points us to our glorious future destiny It shows the living relationship between the risen Christ and His Bride the Church It also records the final days of this world and reveals the glorious new world yet to come The book of Revelation gives us hope for the future when God will make all things new Rev 21:5 Dr Hindson simplifies the message of the Revelation so that you can easily understand it for yourself He surveys the general content of this captivating book of prophecy with a view to keeping the big picture in mind rather than getting lost in all the details His approach is to keep the study focused on the key issues in each chapter The Book of Revelation has been called the epilogue of the unfolding drama of redemption It's God's road map to help us understand where human history is going In the biblical record human history begins in a garden and ends in the eternal city It begins with tragedy and ends with triumph It begins with man's failure and ends with his exaltation In between there stands a cross and on that cross Jesus Christ changed the
