Charlotte Emily:

Charlotte Brontë at Home Marion Harland, 1899 *Charlotte Brontë's World of Death* Robert Keefe, 2014-08-01 By the age of eight Charlotte Bront had lost first her mother and then her two older sisters Later in a second wave of deaths her brother and two younger sisters died leaving her a sole survivor With subtlety and imagination Robert Keefe examines Bront s works as the creative response to these losses particularly the loss of her mother Terrified and yet fascinated by death struggling with guilt remorse and a deep sense of rejection Charlotte Bront found in art a way to come to terms with death through its symbolic reenactment In her earlier writings she created a fictional world marked by devices that allow her to control or deny death In her later works these mechanisms evolved into mature expressions of a profound psychological reality Bront s preoccupation with death is seen in her fiction in the recurring patterns of separation and exile Keefe traces the development of these motifs in the juvenilia and the four novels *The Professor* *Jane Eyre* *Shirley* and *Villette* Unique in its emphasis on the maternal relationships in Bront s life and art this study also explores certain aspects of her life that have often puzzled biographers **Littell's Living Age** Eliakim Littell, Robert S.  the lives of Charlotte Emily and Anne Bront at Haworth Parsonage in 19th Century Yorkshire England are well known But
 what about the dogs with whom they shared their home Grasper Keeper and Flossy And what about the dogs in their novels
 There are in fact nineteen named fictional dogs at least one in each of the seven novels Many of these fictional dogs can be
 seen as counterparts of the actual ones in terms of breed appearance or behaviour This book looks at the three Bront family
 dogs in three different ways The first is what we know about these dogs from letters and other sources sticking strictly to
 actual evidence textual and visual The second is what we can infer about the family dogs and how Charlotte Emily and Anne
 Bront may have seen them in terms of their sentience agency and cognition from their many counterparts in the novels in
 particular Wuthering Heights The third is how the three family dogs via their fictional counterparts appear to have shaped
 the Bront fiction in terms of plot characterization and metaphor again in particular in Wuthering Heights This unique book s
 examination of the Bront family dogs and their influence on the sisters fiction will be of interest to scholars and students of
 Victorian literature worldwide and anyone with an interest in the lives and novels of the Bront sisters
