Armageddon Consp Track:

The Armageddon Conspiracy Mike Hockney, 2011-09-30 King Solomon is one of the Bible's most famous figures responsible for building the Holy Temple that housed the Ark of the Covenant. Yet Solomon died as an apostate. How could a man famed for his wisdom reach the conclusion that God was false? The Armageddon Conspiracy reveals the answer to this greatest Biblical mystery. The Temple of Solomon was not the house of God at all but a special chamber designed to contain a unique weapon for which Solomon had the most astounding purpose in mind. Solomon, a man obsessed with witchcraft and magic, believed he had found the key to the supreme mystery of life but he died before he could complete his mission. The world's oldest secret society of which Solomon was the Grand Master still exists and now its members are about to perform the final cataclysmic ceremony Solomon had planned for so long. Could it bring the universe to an end? *The Armageddon Conspiracy* Jerry Ahern, 1984. *The Armageddon Consp* by Jerry Ahern released on Aug 25 1984 is available now for purchase.

This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences. **Exodus Conspiracy** Chuck Hughes, 2011. When President Brookfield's sudden heart attack puts his vice president into the presidency the rules of engagement change for the worst. The new president attempts to appease the radical Islamic element and temper the reign of terrorism. His peace at any cost diplomacy however results in a series of catastrophic events: the emergence of the Palestinian National Alliance, a nuclear armed Iraq, an isolated Israel, and a reign of violence that begins with a gas attack on the Macy's Thanksgiving Day Parade. After the wife of wealthy philanthropist Jonathon Gates is killed in the attack on NYC, he and members of his humanitarian foundation do what the government will not do: take on the terrorists on their own turf and in their own way. To obtain their objective, the Foundation turns to a team of loyal military misfits who quickly begin turning plow shafts into swords. Added to the team is Russian immigrant Stanko Shirski. Stanko uses his ties to the Russian Mafia to assist in a more domestic chore: removing the new president from office one way or another. While the eye for an eye biblical edict lashes out at the terrorists, unintended consequences push the conflict to a critical point. Ultimately, Gates and the Foundation are forced to consider the ultimate retaliation: Revenge is a harsh taskmaster. *Hard Way* Jerry Ahern, 1984. *The Hard Way* by Jerry Ahern released on Oct 25 1984 is available now for purchase. **Tracking the Chupacabra** Benjamin Radford, 2011-03-15. Among the monsters said to roam the world's jungles and desolate deserts, none is more feared than the chupacabra, the blood-sucking beast blamed for the mysterious deaths of thousands of animals since the 1990s. To some it is a joke; to many it is a very real threat and even a harbinger of the apocalypse. Originating in Latin America yet known worldwide, the chupacabra is a contradictory and bizarre blend of vampire and shapeshifter, changing its appearance and characteristics depending on when and where it is seen. Rooted in conspiracy theory and anti-American sentiment, the beast is said to be the result of

Frankenstein like secret U S government experiments in the Puerto Rican jungles Combining five years of careful investigation including information from eyewitness accounts field research and forensic analysis with a close study of the creature s cultural and folkloric significance Radford s book is the first to fully explore and try to solve the decades old mystery of the chupacabra

1947 Ten year old Fay Allen of Roswell New Mexico witnesses the fiery crash of an extraordinary craft unlike anything she s
ever seen 2012 More than sixty years later army engineer Tyler Locke rescues Fay from a pair of assassins She says they
were after a piece of wreckage she obtained from the Roswell crash and she claims to know secrets about that incident that
have never previously been revealed Tyler is initially sceptical but after he is kidnapped by a mysterious band of mercenaries
he comes to believe that Roswell holds the key to his and his countrymen s survival And he realises that there is a desperate
race against time for him to uncover its secrets Fast paced and thrilling The Roswell Conspiracy draws on actual details from
the Roswell Incident to create a page turning and thought provoking thriller **Beirut Payback** Don Pendleton, Harlequin
Enterprises ULC, 1984-05-25 **The Super Hadron Conspiracy** Charles Ifejika, 2011-11-10 This stunning new book delves
into the world of modern science to reveal a darker side It begins in the year 2014 and predicts the future of the Large
Hadron Collider a story of dark research bloodshed and criminal intrigue A mysterious coincidence is the fact the LHC was
only running on half power up to 2012 a year destined to be eventful history making or possibly a huge disappointment in
terms of our knowledge of black holes When the Maya discovered the black hole resting at the centre of our galaxy they
bestowed the name HUNAB KU which was the Mayan central sun and creator of all Black holes were once the stuff of
science fantasy but not any longer In recent years modern science has confirmed the existence of a super massive black hole
at the centre of the Milky Way galaxy leading many to wonder how Mayans were able to discover this centuries ago One
startling prediction is that in December 2012 an event will take place that sees the alignment of our Sun with the Galactic
equator which is the location of the mammoth black hole This has sparked a lot of controversy but Stephen Hawking and
modern science only recently accepted the concept of black holes so will it be a case of science catching up with the Mayans
yet again The greatest controversy surrounds an alleged prediction that the world will come to an end in 2012 Critics of this
statement offer the opinion that 2012 is simply the Mayan calendar coming to an end therefore nothing more could have
been predicted Others say that ancient Maya prophets foretold an earth shattering event would occur on or around this time
which is often described in cataclysmic fashion They had a glyph that represented the black hole in our galaxy and Mayans
truly believed that it caused our world to go through cycles of birth death and rebirth This book examines a seldom
considered possibility that the black hole threatening Earth s existence may have been created by scientists In 2012 the
Large Hadron Collider at CERN which smashes atoms together to recreate conditions existing at the time of the Big Bang
will finally have its power turned up to full force A number of court cases had tried to stop the LHC before it created a deadly
black hole here on Earth but CERN brushed them aside as utter nonsense and the court cases have all been dismissed But
when they turn the power up in 2012 and thereafter who knows what will happen This book explores one possible outcome of
that fateful decision which leads down a mysterious trail littered with the bodies of fifteen murdered scientists A crack

investigation team is brought in to solve the murders headed by the brilliant Detective Chief Superintendent Lionel Navarro who is later joined by US special agent Jenifer Nixon a female James Bond character A small team of experts is assembled including one of the world s top scientists Professor Antoine Taskani and a beautiful female physicist named Sophie Moreau Taskani is considered a genius and needs to recreate the dangerous Hadron experiments without destroying the world as this may shed light on the murky investigation But will he succeed Very quickly the team is forced to become the guardians of the new technology and the Hadron experiment is considered the ultimate prize but dark forces soon try to grasp its secrets in a terrifying journey for the unlikely team Amid the terror a love story unfolds but can the combined will of this small team triumph over deadly adversity and will the world survive
